8	9	10	11	12			1	1	Last Staff Day - 6/8 (Full Day)			
							0	0				
							182	184				

When semester grades day and the last staff day are FULL days, by contract, half of the day is reserved as a teacher work day, the other half of the day can be used as deemed appropriate by administration. This may mean that the other half of the day can be used for professional development, training, or building/department meetings if needed.
