"3 x 15 Relay"

Another part of the Blue Streak Academic 5K is the "3 X 15 Relay". We request that three times a week for 15 minutes, each teacher do something to build the cognitive muscle for the OST. Teachers can also opt to do test prep 45 minutes weekly to meet the 3X 15 Relay.

Test prep may include teaching students how to navigate the online testing tools, review and use of released OST items, or teaching students how to attack test questions.
