Alumni Association Supports Scholarships

According to the by-laws, one of the primary purposes of the Sandusky High School Alumni Association is "the promotion, and to the extent possible, participation in the establishment of scholarships for Sandusky City Schools graduates."

2011 marked the 21st consecutive year that the Association has provided two scholarships to members of the graduating class. During that time, a total of \$49,592 has been awarded to help young people achieve their dreams.

This year's recipients were Clare Nejedly and Benjamin Dickman. Past recipients are listed below.

We would love to hear from any of the past recipients with an update on what they are doing now and how they used the scholarship from the Alumni Association. Send the information to: SHS Alumni Association, PO Box 2401, Sandusky OH 44871 or e-mail it to sanduskyalumni@gmail.com

Introducing Strobel Field at Cedar Point Stadium

From Sandusky Athletic Director Susan Sackett:

Strobel Field at Cedar Point Stadium is officially open for use!

A special and grand thank you goes out to all community members and organizations who made this exciting installation possible. With the commitment of funding from organizations like Wightman-Wieber Foundation, Frost-Parker Foundation & Cedar Point and individuals like Orlando Pace, we were able to move forward with the turf project, despite not receiving the grant from the NFL Grassroots Committee.

The construction began in May, causing graduation to be held inside, but enabling the project to be done just in time. By the end of June, the grass field was gone, having been completely excavated and leveled. By the end of July, the new carpet started being laid. What you see before you today is twelve full weeks of hard work, and the result is truly beautiful. The dedication ceremony was August 26th before the first home game of the season vs. Fremont Ross. Prior to the 6:15 pm ceremony, there was a tailgate party, hosted by the Booster Club and Alumni Association.

Thank you again for all who supported the booster club in this effort.

Letter from The President

Thanks to all who turned out for the Pot-Luck at Jeff and Lorelee Krabill's Condo Roof Top. I think we all had a good time and Superintendent Tucker's message was very interesting and well received. Let's hope that the enthusiasm shown that evening will continue. Our Annual meeting will be on Tuesday night October 11th at 7 pm in room 301. At this time we will have election of officers and discussion of possible changes to the By-Laws. If anyone wants to run for any office, please let us know as soon as possible so we can make up a ballot. (Send information to: SHS Alumni Association, PO Box 2401, Sandusky OH 44871 or e-mail it to sanduskyalumni@gmail.com.) We will take nominations from the floor but only if the candidate has approved the nomination. Please make every effort to attend so we have a quorum.

John R. Mears, President and Founder

- Jean & I celebrated our 62nd wedding anniversary in February of 2011;
- As a world class Masters swimmer, I competed at the "Y" Masters Nationals on April 14 at Fort Lauderdale in the Hall of Fame pool for the Sarasota YMCA (current national champs);

Jennifer Macleod, widow of 1944 alum Kingman Macleod, writes from Carmel, CA reporting on her husband's death and telling how much the two of them enjoyed their trips to Sandusky for his high school reunions. She writes: "I cannot remember the year of the last one we attended, but I believe it was an "All Class Reunion" held at Cedar Point. Kingman's brother, John Macleod, and other family members accompanied us. Shortly after, brother John died"

1947

From the class of 1947, congratulations to Theresa Nesselhauf Teague for her gift of poetry . . .

THEY GAVE THEIR ALL

So proud of their country
And our flag that they flew
They fought long and hard
For our country, me and you

With wounds they received
With their blood that ran red
Their courage never faltered
After all that was said

What Class

Sandusky High School Alumni Association

They carried our flag
Of red, white and blue
Though tattered and torn
They carried it through

These brave veterans
Are heroes, you see
Now we must remember their sacrifices
By all of them, be they a he or a she

If you see these brave heroes
Stop, give them a hug and a prayer
That God always be with them
Where they are, no matter where

GOD BLESS AMERICA

Also from the class of **1947**, congratulations to Bernice "Beanie" Sloan Smith for being named Woman of the Year from Sandusky Chapter of Beta Sigma Phi for volunteering for 15 years at Venice Heights Elementary School, where she was known as Grandma Beanie. The award was given at a Sandusky Yacht Club dinner that also marked the 80th anniversary of the founding of the organization.

Janis Keller Wotiz writes: My copy of "Sandusky Home Town News" arrived today, and I would like for all of you to know how much it is appreciated. Everything is read, including much about people I don't even know! For many of us who have left Sandusky, the "News" is a wonderful link. Thank you.

Sue Van Dootingh Lindsley (married to Russ **1974**) writes: I have a solo optometric practice in Port Clinton. Just bit the bullet and bought my own building two years ago- right as the economy tanked. Ouch! Our oldest daughter is a sophomore at Ohio Northern studying pharmacy and we have twin girls who are seniors at Port Clinton so we're heavy into college searches and applications. I go on some organized bike rides for fun and do some gardening. Twenty five years ago someone said "Life's been good to you Sue". I was a little full of myself and thought Hey- I've worked hard to get where I am. Now I know- Life HAS been good to me!

Brent and Jessica Schmidt (1994) Ihns of Lost Nation, Iowa welcomed home their second daughter, Charlotte Hope, born July 3rd, 2010. Charlotte was also greeted by her big sister, Clara Faith, then 16 months. Both girls have kept mom and dad rather busy these last many months. In the midst of waiting for Charlotte's arrival, Jessica Ihns, Psy.D., L.P., also opened her solo practice, Bear Creek Therapy, offering psychological services in Maquoketa, Iowa. The first year has been exciting to watch the practice grow and it is much nicer to be a mere 20 minutes from home instead of the hour and 15 minute drive when she was working in Cedar Rapids, Iowa.

My name is Clare Nejedly and I was one of the recipients of the SHS Alumni Association Scholarships. I had an awesome experience at SHS, and I greatly appreciated receiving a scholarship from an organization that always keeps the achievements and aspirations of SHS students as their purpose. Thank you very much for thinking of me. I will be attending Capital University and majoring in Theatre Studies. I can't wait to see what the future brings for me!
