*Blue Streak*  
UNIVERSITY

“ We believe that all students should participate in a rigorous and rich high school experience that prepares them for college and a career. ”

## Features

- This provides an organized system for your child to complete their high school education while earning college credits with the potential of acquiring up to an associates degree.
- Advanced Placement classes are classes that give you the potential of college credit so you may eliminate certain classes in college or test out of lower classes. Blue Streak University is an opportunity for the student to be simultaneously enrolled as a college student while still enrolled as a high school student.
- Connected with the state-wide effort identified as "College Credit Plus".

## Benefits

- Monetary savings to parents and students. For your child to graduate from high school with college credit provides you with a savings of up to two years of tuition!
- Better job opportunities in the workplace or while attending college due to advanced college standing.
- **No cost to parents/student.** That's right! There is **no cost to parents** for their child to be enrolled in Blue Streak University! That is college credit that your child earns at no cost to you! This program can save you and your child thousands of dollars!

## Admissions *Process*

Sandusky School Counselors will assist students in preparing their course schedule as early as the 7<sup>th</sup> grade. In 9<sup>th</sup> grade, students can pick a major from 11 possibilities as a requirement for their college and career readiness standards. Students will have the option to choose college courses within their identified major. A variety of delivery systems will make the experience individualized and convenient for the student.

1855

Since 1855 our schools have produced outstanding local, state, and national leaders including an Ohio Supreme Court Judge, a Miss America and several NFL football players.

global

We are dramatically redefining the delivery of academic and educational services. We are positioning our students to compete at a global level.

creating  
leaders

Blue Streak University will produce the next generation of leaders for our city, state and nation. Our students will have unprecedented access to college level courses and this will be a paradigm shift for our schools.

#1

Forbes Magazine lists Sandusky as its #1 place to live cheaply in America. Low unemployment, good schools, affordable housing and a low crime rate are just a couple of reasons Sandusky is #1!
