Partial to total aid may be available to cover tuition, books, and supplies. For more information, please visit <https://ood.ohio.gov/Services/Vocational-Rehabilitation>.

Workforce Innovation and Opportunity Act (WIOA - Financial assistance may be available from this program for adults and youth who qualify. Please contact your local Ohio Means Jobs office for more information and eligibility requirements. For more information, please visit <https://jfs.ohio.gov/owd/WIOA/>.

Youth Programs - Funding may be available for youth ages 16-24. Partial to total aid may be available to cover tuition, books, and supplies, if specific criteria are met. Some of the criteria include: Pregnant/Parenting, Disability, Aged out of Foster Care, Homelessness, and English Language Learner. Contact your local Ohio Means Jobs office for more information.

Financial Aid - All students are encouraged to apply for federal financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at <https://fafsa.gov>. There are two main types of aid including the Pell Grant (gift aid that does not need to be repaid) and Student Loans (money borrowed from the government that is repaid after training). Students can obtain assistance in completing their FAFSA by contacting the Adult Education Office at 419-984-1100.

### **Arranging Your Financial Obligations**

**All students are required to meet with financial aid to discuss their financial plan.** The financial aid coordinator will meet with you the same day as your Admissions Information Session. If you have financial questions prior to this meeting, please call 419-984-1104.

## Free Application for Federal Student Aid (FAFSA) Guide

Filing the FAFSA® does not obligate you to attend school or use financial assistance in any way; however, it must be completed to determine financial aid eligibility. Financial aid is available for most of our programs that are 600+ clock hours.

### Step 1

Gather items that will assist you in completing the FAFSA®, for example: your social security number, tax return from 2023, current bank statements, untaxed income (such as workers' compensation and disability), child support received January 2023 - December 2023, and etc. Go to [StudentAid.gov](https://StudentAid.gov) to complete the FAFSA® form.

### Step 2

Do you and each of your Contributors (see Step 3 for who is a Contributor) have a Federal Student Aid (FSA) ID username & password? Please visit [StudentAid.gov](https://StudentAid.gov) to either create or retrieve your individual FSA ID for yourself and each contributor must have an FSA ID as well.

### Step 3

Determine if you are required to add any CONTRIBUTORS to your FAFSA®, and gather the following information from them: name, date of birth, social security number, and email address. Your Contributors will receive an email to "contribute" their information to your FAFSA after you enter their information into your FAFSA.

### Who are your Contributors?

Under Age 24? (Not married? Not supporting any children? Not in military?) – You are **DEPENDENT**

- Your parent and their current spouse are your contributors, and they must each contribute to your FAFSA in order to receive Federal Student Aid.
- If your parents are divorced or separated, the parent who provided the most financial support in the last calendar year will complete the FAFSA with you. If that parent has remarried, you must include their current spouse as a contributor as well.
- Even if neither parent provided you support, they are required to provide their information into the FAFSA form for you to receive Federal Student Aid.

Age 24 or older? (Or under age 24 but meet a condition above) – You are **INDEPENDENT**

- Your spouse is a contributor (if married as of the date of filing FAFSA®)
  - If you are married as of the date of filing your FAFSA®, but you did not file a joint tax return in 2023, your spouse **MUST** still be a contributor and provide consent and approval to access their tax information.

### Step 4

Your consent and approval are needed to retrieve and disclose federal tax information (FTI). With your consent and approval, tax return information is obtained automatically from the IRS to help you complete the FAFSA® form. If you (or one of your contributors, if required) don't provide consent and approval, you will not be eligible for federal student aid, including grants and loans. You must provide consent and approval even if you didn't file a U.S. federal tax return or any tax return at all.

## FAFSA Guide, Cont'd

### Step 5

You will answer questions regarding gender, race, and ethnicity. Please note that these have no effect on federal student aid eligibility and are included for statistical purposes and data collection only.

### Step 6

Assets questions must be completed; if not applicable, you must still enter \$0:

- Enter total cash on hand, plus savings and checking account balances as of day filling out the FAFSA®
- Net worth of investments including real estate (do NOT include the value of the home you live in, and do NOT include retirement investments)
- Net worth of family farms and small businesses are now required to be reported (enter the net worth of the business or for-profit agricultural operations. Net worth is the value of the business or farms minus any debts owed against them).

### Step 7

When you get to School Selection screen, please choose **Sandusky Career Center** as your school by entering our federal school code which is **026200**. Note: You can add up to 20 schools you are interested in attending for the FAFSA award year. By adding a school, you are allowing their financial aid office to access your information.

### Step 8

Once you have entered all your information, you will need to agree to the terms and "sign" your FAFSA. If you have any required Contributors, they will need to complete their contributor section through their email invitation. Once all your Contributors complete and approve consent and sign their portions, your FAFSA will be submitted for processing.

### Step 9

If there are any issues that need to be resolved, we will contact you and may ask you to schedule an appointment, or you may receive a request for verification from the financial aid office. The verification paperwork will need to be completed before your financial aid can be processed.

### Step 10

Need loans? If you would like to borrow student loans to assist with school, you will need to complete the Master Promissory Note and Student Loan Entrance Counseling. Both are available at [StudentAid.gov](https://studentaid.gov) under the header "Loans and Grants." Use your FSA ID to log into these online forms.

### Step 11

Once you have been accepted into the program you applied for and your FAFSA has no unresolved issues, a financial aid offer will be prepared for you. You will receive contact by phone or email from the financial aid coordinator to schedule your required appointment to go over your financial aid offer.
