Contact Number: \_\_\_\_\_ Grade: \_\_\_\_\_

T-Shirt Size (Circle One): YOUTH: Sm Med Lg ADULT: Sm Med Lg XI

### Grades, Behavior, and Expectations

**Grades:** Grades are the one thing that will keep any student from participating:

- with their friends
- in their favorite sport/activity
- for our schools in front of our community
- in the opportunity to attend college

We cannot stress enough the importance of doing well in the classroom. We need YOU as parents, family, friends, and neighbors to help us reinforce and educate all of our students about grades when they aren’t at school. During the Elementary years we can work together to help students build good habits and understand the importance of grades and education.

**Behavior:** Human behavior is something that is learned and past down from generation to generation. Our Elementary students are influenced by the things they see and hear. In their presence we expect everyone; coaches, parents, and anyone else, to act responsibly and to respect each other at all times. Disrespect and profanity will not be tolerated and will be dealt with through the athletic department. We are all responsible for our actions and how we are influencing our Elementary students.

**Expectations:** The main focus of our Elementary programs will be skill building and mastering technique. Our students will achieve this through the combination of practices, games, and competitions. We ask that parents work with our coaches to ensure success. We believe that students must learn to finish what they start and overcome obstacles. Our programs are designed to increase the students Sports IQ and skills while having fun. Our motto for the students is simple. Listen, Work, Achieve, Repeat!

*I have read and understand what is expected when participating in Elementary Athletics and Activities. I understand that fees are non-refundable and I hereby give permission for the above-named player to participate in these programs.*
