Hospitality FAQ's:

What are key skills for someone in the hospitality industry?

To work in hospitality, you need good customer service skills to keep guests happy, the ability to work well with a team, and the ability to stay calm when things don't go as planned. It also helps to know about food safety, managing restaurants, bartending, and using time wisely.

What can I expect the salary of a hospitality employee to be?

The average entry-level salary in Ohio is \$32,220 per year or \$16.11 per hour. Entry-level positions start at \$29,250 annually, while most experienced workers make up to \$52,592 annually.

How long does it take to complete the Hospitality Program?

The length depends on the course you take. We offer the following classes:

8-Week Hospitality Manager 101 Course
6-Week Supervisor Course
5-Week Entry-Level Restaurant Course
4-Week Bartender Course
3-Week Basics Course
2-Day ServSafe Class with Exam
1-Day ServSafe Recertification Class with Exam
½-Day Person-in-Charge Training
½-Day TIPS Training with Exam

What are some career opportunities for someone employed in the hospitality industry?

After finishing the Hospitality Program, students can work in retail, restaurants, resorts, theme parks, event centers, and hotels.
