## Welcome Superintendent Rambler!

Tuesday, January 10, 2023

My name is Daniel Rambler, and I consider myself incredibly fortunate to be the Sandusky City Schools Chief Executive Officer and Superintendent. I currently reside in Sandusky, Ohio and have enjoyed the community and all that the city has to offer. My wife, Tammy, and I are blessed to have four children: Abby, Elli, Andy, and Emma. In my free time, I enjoy listening to audiobooks, attending events with my children, spending time with my wife, and championing students while assisting them achieve their full potential. As an educator, I believe in collaboration and open communication with all stakeholders to align our efforts together toward our desired outcomes for students.

I am a caring and compassionate leader who values the involvement of all stakeholders working together to strengthen and positively influence our students and educational system. I believe strongly in a team approach in our planning and the involvement of many voices as we work toward our future goals. I have been thankful to meet so many individuals during my time in Sandusky. I look forward to continuing our conversations and developing our relationships and trust. Quite often, you will find me in our school buildings and attending a multitude of community functions, so I may experience who we are and what it is we improve on in order meet the needs of our families, community members, staff and students. I value Sandusky City Schools core values: Pride, Tradition, and Excellence. I attempt to show these values in my district and community experiences through my Facebook page. I encourage all to join me on Facebook, so all may see the great offerings we have in Sandusky.

Today, I continue to be as enthusiastic and excited as I was upon the announcement and naming of the new CEO and Superintendent six months ago. The students, staff, families, and community members have been incredibly welcoming and supportive during my transition to the district and community. As I explored the district in my initial days, I was impressed with the educational opportunities for students, the high levels of academic achievement, the immense options students have to choose and explore their talents and interests in our after school programs, activities, and athletics. Beyond all these wonderful things, I am amazed and extremely honored to meet so many incredible people who make up our district and community. We have dedicated students who are filled with a desire to learn and grow, explore new opportunities, and show great levels of care and compassion for others. I am impressed with our staff who takes great pride in supporting, nurturing, and challenging our students to reach their full potential. They feed continual energy to support the school district and each other.

As we continue to move forward, our district is working to align our focus and strategic planning around academics, collaboration, and communication. We have two community forums scheduled for Tuesday, January 24, 2023 and Wednesday, January 25, 2023 both beginning at 6:00 p.m. Grade levels and location of the community forum are as follows:

**Tuesday, January 24, 2023: (Grades: PK - 6th):** Sandusky Intermediate School, 2020 Hayes Avenue, Sandusky, Ohio 44870 in the Global Education Center

**Wednesday, January 25, 2023 (Grades 7-12):** Sandusky High School, 2130 Hayes Avenue, Sandusky, Ohio 44870 in Room 300

We invite and look forward to the families and community members to attend as we address academic progress and updates in regards to the Aquatics Center Project.

Go Streaks!

## **Press Release: Sandusky City Schools Board of Education Approves Sandusky Aquatic Center Design**

During the Sandusky City Schools regular board meeting on January 10, 2023, board member voted to approve the Sandusky Aquatic Center schematic Design and construction documents which were presented by the architectural firm, ThenDesign Architecture. The design that was approved during the board meeting features the following:

- A new 8-lane pool
- New spectator seating
- New family/community locker rooms
- New entrance and lobby
- Updated athletic locker rooms
- Additional storage spaces
- Converting the old pool room into a multipurpose room utilized by Sandusky City Schools and the community.

The estimated completion date for this project is December 2024. If you have any questions, comments or concerns, please contact Kerstyn Pou, SCS Marketing and Communications Specialist at [kpou@scs-k12.net](mailto:kpou@scs-k12.net) or 419-984-1114.

## Lauralee Krabill Health Career Scholarship Awarded

On June 29, 2021, Lauralee Krabill, Director of the Sandusky Career Center LPN program, passed away after a 19 1/2 year battle with Stage Four Breast Cancer. She was devoted to her family and her career as a nurse. After her passing, family and friends established a scholarship program in her name and honor. The scholarship currently benefits a student entering the LPN program. December 20 was a special day as the first scholarship was awarded to SHS graduate, Anna Lazzara ('22).

Anna Lazzara will begin the LPN program in January 2023. After completing the program, her goals are to continue on to the RN program at the Sandusky Career Center, then work on her BSN in nursing. Ultimately, she would like to become a nurse practitioner working with adolescents with diabetes. Anna was influenced to become a nurse by her grandmother, who was a nurse for 50 years and being a type 1 diabetic she knows the importance of having a skilled and empathetic nurse around. Anna is the daughter of Jamie ('91) & Julie ('94) Lazzara and granddaughter of Tom ('67) & Cindy ('67) Patterson and Chuck & Scherry ('68) Lazzara.

The Krabill family hopes to continue to grow the foundation to be able to help as many students as possible down the healthcare path to which Lauralee Krabill was so devoted. If you would like to help build this scholarship foundation, contact Jeff Krabill - [jeffnk@buckeye-express.com](mailto:jeffnk@buckeye-express.com) for more information.

## Band Celebrates Centennial:

The Sandusky Band Program is celebrating its 100th Anniversary this year. To commemorate the event, they have contracted renowned Band composer, Mr. William Owens, to compose two works to celebrate this special milestone for the Band program.

The Band has already world-premiered and added Owen's "The Sandusky Fanfare" to the fabric of its Pre-Game Show, and will world-premiere a Concert Band piece at our Spring Band Concert on **May 3, 2023** at Sandusky High.

The Bands are under the direction of Mr. Daniel Klohn and Mr. Josh Barringer who have organized a fundraiser to support this event. If you would like to help their efforts, visit: <https://gofund.me/81d14d6a>.

**Lois (Dahlke) Brown**, Class of 1955, shared the following:

Milton Frank Dahlke, 93, of Huntsville, Texas, went to meet his Lord and Savior Jesus Christ on July 12, 2022. Born in Sandusky, and graduating from SHS in 1947, he enlisted in the U.S. Army and served with the 11<sup>th</sup> Airborne Division in Sapporo, Japan and Ft. Campbell, Kentucky. Milton met his wife, Mae Evelyn Page, at a USO dance, later marrying and raising three children. Milton worked as a draftsman, mechanical engineer and designed and built their first home in 1954, which was the only one in the neighborhood to have a built-in dishwasher.

In addition to designing two of his own homes, Milton also designed homes for a sister, son, a daughter, and eldest grandson. At the age of 90, he hand drew his grandson’s 5,000 sq. ft. home. The contractors and subcontractors marveled at the detail and quality of the drawings. He conducted three site visits, climbed stairs to the second story for inspection. Milt loved living and lived life well.
