

Sandusky Home Town News

December 2018

Sandusky High School Alumni Association

Greetings Blue Streaks:

As another year comes to a close, and I get another year older, I wanted to take a moment to reflect on all the wonderful things happening in Sandusky. The school system is flourishing, with the new buildings to be built soon, academics are better than ever, our football and soccer teams both had extended seasons, and the campaign for a new pool area is going strong, (our original pool is 61 years old and leaking badly).

Downtown Sandusky is a mecca for condo/apartment living, new restaurants and local shops are opening almost monthly, city government is moving downtown, the police and juvenile justice center are moving to the former American Crayon property, derelict properties are being demolished to make way for new builds, and, of course, Cedar Point, the best amusement park in the world, is growing like gangbusters with new hotels and dorms, new rides, and Sports Force, a world class outdoor sports facility on Cleveland Road.

Sandusky was recently named the "best place to retire" in the Midwest. I am so proud of our city! If you don't live here, I hope you'll visit soon to see its rejuvenation.

As you may or not be aware, my high school football coach, Earle Bruce, passed away this past year. Because he was such a positive influence in our lives, a group of us got together to plant a tree in his honor outside Sandusky High School, to the north of the front doors. A big Blue Streak thank you goes out to Bob Barnes of Barnes Nursery for donating a Buckeye tree, Bret Ninke of Balconi Monuments for the plaque, and Jeff Corso for planting it.

The SHS Alumni Association meets four times a year and everyone is welcome. If you have an interest in becoming more involved, please contact me at jcorso2000@aol.com or at 419-627-9964.

Wishing you all a very happy and healthy 2019,
Blue Streaks forever,
Jim Corso
Class of 1963

An Update from the CEO and Superintendent

As we move through the holiday seasons, we think about how thankful we are for our Blue Streak Families. This has been an exciting and busy year for us already. This fall, we passed our Renewal Levy at nearly 65%, the Varsity Football team made the state playoffs for the 3rd season in a row, and with the release of the Ohio School Report Cards, we learned we have made remarkable strides in our academics across the district. We are continuing to work hard on our academics, ensuring all of our students are reaching their full potential. In early December, we hosted over a dozen school districts from around the state, who came to observe our academic strategies and designs. Sandusky City Schools has become a leading district in Ohio when it comes to student achievement. December is a busy time for us, with holiday concerts and winter sports in full gear. If you are interested in upcoming events, visit our website (www.scs-k12.net) anytime throughout the year to view our calendar.

As you may know, we are currently working through the largest single construction project in the City of Sandusky's history. This summer, we completed several renovation projects at the Middle School and the High School. These projects included new science labs, new lighting and sound in the SHS Auditorium, and a complete renovation of the Sidney Frohman Planetarium. These upgrades were necessary to give our students a 21st century learning environment with a focus on STEAM (Science, Technology, Engineering, Arts, and Mathematics) and we are pleased with the results.

The newly named Sandusky Rotary Global Education Center will be a state-of-the-art technology center that will complement the district's award-winning and innovative Global Internship Program. This Internship Program also played a key role in helping Sandusky City Schools be selected as a National District of Distinction for Innovation and Creativity.

(Newly Renovated Sidney Frohman Planetarium)

(Updated Lecture Hall - Room 300 and High School and Middle School Science Labs)

As you may have read earlier this month, the Sandusky Board of Education voted to take a bold and strategic new direction with the Building Better Dreams facilities program. Our timeline for opening the new Intermediate School and the new Ontario Building is scheduled for August 2020. A new construction management at-risk firm should be on board in December, and we will continue onto the next phase of the building process. We are excited to see our plans come to life and to move forward with our vision. To learn more about our facilities project, you can visit our website.

The Transformation Plan, introduced in 2014, is a strategic plan encompassing the comprehensive academic, organizational and institutional work of the school district. Progress reports are provided to Sandusky City Schools' stakeholders and available to the community semiannually. Mr. Dan Poggiali, Chief of Staff and Transformation Officer, presented the Fall 2018 update at a central office staff meeting at the Sandusky City Schools Board of Education Office on Thursday, November 29th, 2018. The progress report, featuring highlights and pie-chart analyses from the twelve pillars of the Transformation Plan, can be found, and available for download, on our website. The Fall 2018 Transformation Plan update report will be available at the Board of Education office and at all SCS buildings after November 15, 2018. Pictures and a video of the presentation will be posted to Sandusky City Schools' social media accounts.

If you ever have any questions, please don't hesitate to reach out to us. You can reach Dr. Eugene Sanders at askdrsanders@scs-k12.net or 419.984.1000. Follow us on Facebook (Sandusky City Schools) or Twitter (@gobluestreaks) to stay updated on what is happening throughout the district.

Go Blue Streaks,

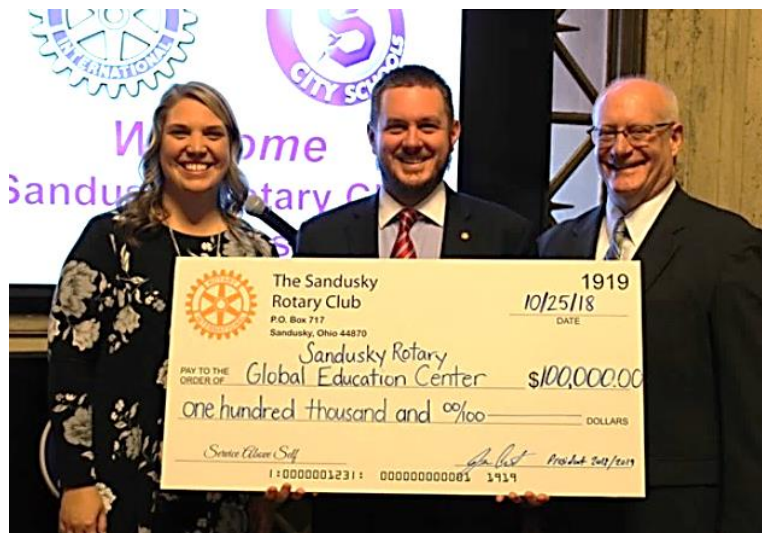

Eugene T. W. Sanders, Ph.D.
Class of 1976

Sandusky Rotary Global Education Center

On Thursday, October 25, 2018, a special presentation was held at the Administration Building, where Sandusky City Schools received a donation from the Sandusky Rotary Club. 2019 will mark Sandusky Rotary's 100th year of service to our community.

The Past Presidents of Sandusky Rotary Centennial Project Committee was charged with finding a project that would help serve the Sandusky community for the next 100 years. After many recommendations and careful consideration, the Centennial Committee and the Sandusky Rotary Board decided that Sandusky City School's forthcoming Global Education Center met that criteria.

The Sandusky Rotary Global Education Scholarship fund will receive \$25,000.00 of the \$100,000.00 donation. The Sandusky Rotary and Rotary International will be a part of this community for many generations to come.

Alumni Christmas Carolers Visit Osborne Elementary

The Zion Lutheran Church Choir sang Christmas Carols to Osborne Elementary students during lunch!

Look closely and you'll spot several former Sandusky teachers and alumni volunteering their time and talents!

50th Class Reunion

The Class of 1969 will be celebrating the 50th Class Reunion on the weekend of October 4-6, 2019. Plans for the weekend include a Friday night SHS football game, Saturday dinner and music at the Sandusky Yacht Club, and a Sunday morning church service at the Old Calvary Church.

Addresses are currently being checked with letters planned to be sent out after the first of the year. There will be additional details and information included in this mailing. Mark your calendar now and plan to attend this special weekend celebration!

All Class Reunion

You won't want to miss this joint SHS and SMCC, multiclass reunion of the classes of the 1960's through 1990's! The event is scheduled for August 24, 2019, at the Erie County Fair Grounds. There will be food, live music, dancing, games, beverages, and of course, a chance to visit with your classmates! Admission is \$10.00.

Planning a Class Reunion?

Please send us your reunion news and we will be happy to share it in the June newsletter. Send to:
SanduskyAlumni@gmail.com

or
Alumni Association
PO Box 2401
Sandusky, OH 44870

Need a Yearbook?

Three Frams were recently donated to Pat Volz and she is offering them to SHS Alumni, free of charge, first come, first serve! Two are 1952 and one is 1951. They are available individually or as a group. If anyone is interested, email Pat at pivolz@bex.net OR mail a note to the Alumni Association post office box.

Sandusky Bicentennial Fun

The SHS Alumni Association was part of the Sandusky Bicentennial Parade on August 18. John Schumm, Jim Corso, Joe and Trevor Hayberger and Tom Patterson took turns carrying the banner. Jim and Judy Corso, along with Cindy Patterson, road in the golf cart driven by Max Corso, a SHS Senior.

What's New?

Cindy (Hartlaub) Keise (1971) became a first-time great grandma to granddaughter, "Autumn" (8/31/2018), and happily retired (9/20/2018).

Congratulations to Trevor Hayberger (1994), who was recently named City of Sandusky Law Director. Trevor also serves as vice-president for the SHS Alumni Association.

Sandusky Alumni Complete LPN to RN Diploma Program

The Sandusky Career Center LPN to RN Diploma Program graduated its first class on November 27, 2018. This program allows Licensed Practical Nurses (LPN) with I.V. Certification to obtain their Registered Nurse (RN) license. The program is 45 weeks and starts every January. Upon completion of this program, students are eligible to take the NCLEX-RN to obtain licensure. If students wish to obtain their Bachelors of Science in Nursing (BSN), there are educational agreements in place with Chamberlain University and Muskingum University. These programs are online, allowing for students to work and gain experience as a RN as they complete their BSN degree. These educational agreements also allow for tuition discounts.

The 2018 class graduated 22 students. Fourteen of these students were graduates of the Sandusky Career Center School of Practical Nursing and 5 were Sandusky High School graduates. Two faculty members are also Sandusky High School Graduates, Vanessa Link(2004) and Elizabeth Moots (2003).

Throughout the program, students complete a rigorous curriculum with a combination of clinical, lab, and theory experiences. The clinicals take place in a variety of settings, including Firelands Regional Medical Center and Fisher-Titus Medical Center. The students also have a number of opportunities in the community setting. Students also get simulation experience in the skills lab setting.

We currently have 50 students enrolled in both the part-time and full-time program for 2019. Of these 50 students, 25 are graduates of the Sandusky Career Center School of Practical Nursing. Applications are currently being accepted for the 2020 class. Please call Elizabeth Moots at 419-984-1870 for additional information!

Have News to Share? The deadline for articles for the next issue of the newsletter is **June 1, 2019**

THE SANDUSKY EDUCATION FOUNDATION
ENRICHING THE EDUCATIONAL EXPERIENCE

NO OTHER INVESTMENT YIELDS AS GREAT A RETURN AS THE INVESTMENT IN EDUCATION. AN EDUCATED WORKFORCE IS THE FOUNDATION OF EVERY COMMUNITY AND THE FUTURE OF EVERY ECONOMY.

- BRAD HENRY

Over 150 years ago, Sandusky was one of the first towns in the state of Ohio to establish a public high school. Today, the characteristics of pride, tradition and excellence – the same qualities our founders built that first school upon – continue to thrive as the hallmarks of the Sandusky City Schools experience. The Sandusky Education Foundation was created to ensure that the legacy of pride, tradition and excellence endures for generations of Blue Streaks well into the future.

Our tax exempt, independent organization works to benefit both the capital and operating needs of the Sandusky City Schools. Although the Ohio Revised Code strictly defines how public entities – such as school districts – are permitted to conduct business, the foundation places donated funds into productive investments, provides tax-advantaged options on contributions, ensures benefactor privacy and even offer anonymity should the donor request it.

To fulfill our mission of enriching the educational experience for the students of Sandusky City Schools, our goals were established to prepare our children to succeed in the 21st century. We aim to:

- ✍ Provide resources & supplemental educational tools to support the learning environment
- ✍ Assure that our educators focus on forming well-rounded & skilled graduates
- ✍ Encourage teaching innovation & effective learning initiatives that are responsive to emerging needs
- ✍ Support the continuous improvement of Sandusky City Schools

Currently, the Sandusky City Schools are implementing a Transformation Plan that is dramatically redefining the delivery of academics and educational services to position our students to compete on a global level. The Sandusky Education Foundation is honored to serve as a partner and dedicated channel of financial support as the school district fulfills the twelve pillars of this essential plan. To learn more about the Transformation Plan and several exciting new programs offered by Sandusky City Schools, please visit the district's website at scs-k12.net.

PRIDE. TRADITION. EXCELLENCE. Please consider helping to preserve these essential virtues for future Blue Streaks by investing in the education of our children with a gift to the Sandusky Education Foundation. Contributions can be directed to:

Jennifer Lippus, Executive Director
Sandusky Education Foundation
135 East Washington Row, Suite B
Sandusky, Ohio 44870
419.370.3770

The Sandusky Education Foundation is a 501(c)3 organization. Your contribution is tax-deductible to the extent allowed by law. Please consult your tax advisor for details.

www.SanduskyEF.org

JUMP IN SANDUSKY!

WE'RE ALREADY MORE THAN HALFWAY THERE!

Halfway to what, you're wondering? Read on for the details...

Over sixty years ago, a state-of-the-art natatorium was constructed at Sandusky High School. In the many decades since, it has served the school system very well, far exceeding the normal lifespan of a commercial pool. Unfortunately, the pool is showing critical signs of aging, is no longer Code Compliant (including the Americans with Disabilities Act) and does not conform to National Federation of High School standards. A few of the most notable deficiencies include:

- ✦ Structural faults in the pool shell have created a crack that leaks at a rate equivalent to completely draining the entire pool three times in a single year, creating a need to constantly refill the tank
- ✦ Insufficient swim lane width of less than 6 feet – standards dictate a minimum lane width of 7 feet
- ✦ No means of access to the spectator mezzanine for persons with physical disabilities or limitations
- ✦ Deck widths are less than one-half of the recommended width in new pool design, creating a potential egress hazard should the natatorium need to be evacuated
- ✦ Light levels are approximately one-third of the intensity recommended for an aquatic facility

Today, we have undertaken a project to not only renovate - but expand and enhance - this out-of-date natatorium with a modern aquatic center that will create a unique opportunity for our students and the entire community.

Our existing pool will be replaced to create a warm water facility for swim instruction, warm up / warm down during swim meets, general aquatic exercise and recreational use to support health and wellness for all age groups. The depth of this pool will be shallow to provide for the most important goal of this project: to reintroduce the Learn-to-Swim initiative, which will integrate water safety and swim lessons into the physical education curriculum for all third-grade students in Sandusky City Schools. Because our city's entire northern border consists of a bay and a lake, we feel it is absolutely imperative to require all children to learn basic swimming techniques and survival skills in the water.

This project is intended to benefit:

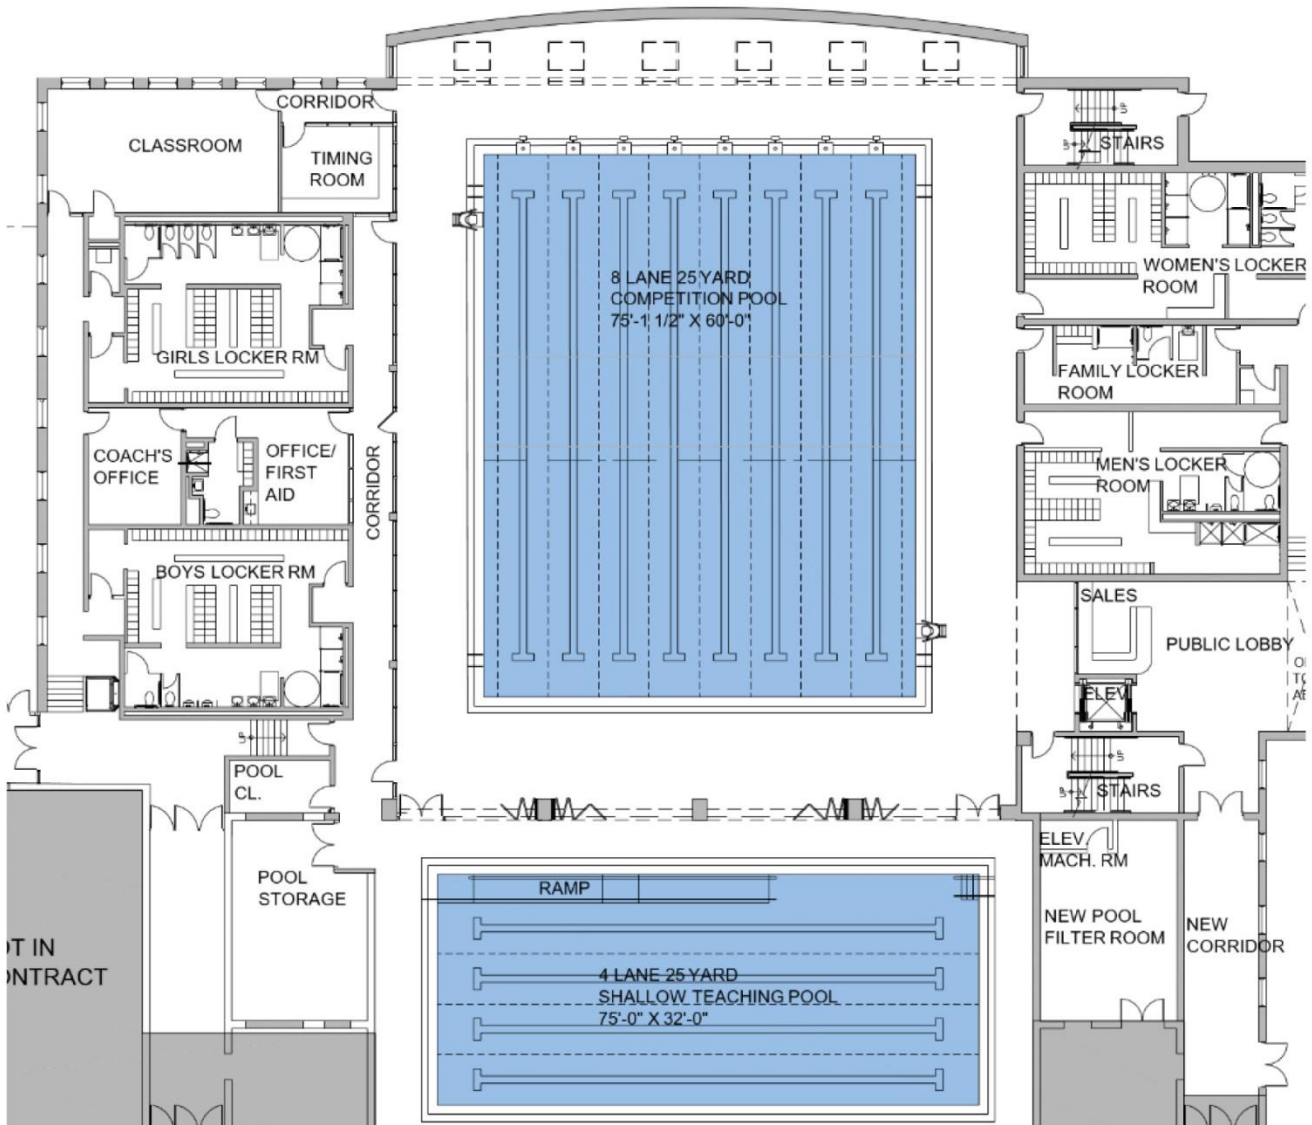

- ✦ Local youth through the Learn-to-Swim program and water safety training
- ✦ Adults who have never received swim instruction
- ✦ Developmentally and physically disabled members of our community
- ✦ The elderly and others seeking aquatic therapy programs
- ✦ Anyone who wishes to swim for general health, recreational or competitive training purposes

Moreover, the construction of a brand-new 8-lane competition pool will provide an opportunity for area swim teams to compete in a natatorium that is code compliant and meets all modern design standards. This initiative also adds essential new elements to the facility, including locker rooms for visiting teams; an ADA entrance with access to the spectator mezzanine for those with disabilities; and an appropriate layout to ensure the safety of all competitors and visitors to the aquatic center.

Thanks to the incredible support of local foundations, individuals and the Sandusky City Schools, we have already surpassed the halfway point in the fundraising effort and ask you, as a loyal Sandusky High alumnus, to join us in contributing to this remarkable project.

Here's the most exciting part: we are very fortunate to have been awarded a generous challenge grant from the Randolph J. & Estelle M. Dorn Foundation. Each dollar raised from individual contributions (up to a total of \$250,000) will be matched 3 to 1 by the foundation. That's right – the Dorn Foundation's match will quadruple the impact of your donation!

Please visit SanduskyAquaticCenter.com or contact Jennifer Lippus at the Sandusky Education Foundation at 419.370.3770 for more details.

In Memoriam – Listed below are alumni deaths from 2016-17 that were not reported in last newsletter, plus deaths through December 1, 2018. We offer our thanks to Julie Sehmeyer Dendinger for tracking and organizing the names of our deceased classmates. Please email corrections or additions to us at: SanduskyAlumni@gmail.com or mail to Alumni Association, PO Box 2401, Sandusky, OH 44870.

Thomas 'Tracy' Cromer	11-1-18		
Scott A. Wilson	10-9-18		

Sandusky Alumni Help Brighten the Holidays

El Da' Sheon Nix (2000), his friends and family organized a community event at Christmas to increase and enhance the holiday spirit. This year his 'Tis the Season' event was held at the Erie County Senior Center and The Meadows at Osborn Park. Seniors enjoyed food, games and fellowship and were treated to holiday gift bags and food bags.

Mary Giles (2005) surprised teachers at Hancock Elementary by donating bags of supplies to 17 classrooms. The bags were stuffed with tissues, construction paper, crayons, snacks and more. Her employer, Akro-Mils, in Akron, donated storage containers for classrooms. Mary, who now lives in Akron, said she understands how hard it can be for teachers to supply their classrooms.

The Momma Collins Legacy Fund

“Blue Streaks are in the house!”

Jackie “Momma” Collins was an inspiration and guiding force to thousands of Blue Streak student-athletes. Momma dedicated over 40 years of her life to them with countless pre-game meals, tens of thousands of volunteer hours, words of encouragement, and most importantly, love – leaving a legacy that will live on for generations of children in Sandusky City Schools.

To honor the selfless service of this incredible woman, her family has established a memorial fund through the Sandusky Education Foundation. Every year, Momma’s family will choose a special Sandusky City Schools project to receive an award from this endowment. If you wish to contribute to The Momma Collins Legacy Fund, gifts may be sent as follows:

The Momma Collins Legacy Fund
c/o Sandusky Education Foundation
135 East Washington Row, Suite B
Sandusky, Ohio 44870

Checks should be made payable to the Sandusky Education Foundation with “Momma Collins” in the memo line. If you wish to donate via credit card, please call Jennifer Lippus at the Sandusky Education Foundation at 419.370.3770.

Happy New Year!

2019
