Sandusky High School Alumni Association

June 01, 2019

Greetings Blue Streaks:

Another summer is almost here, lots of great things happening in Sandusky Schools. Upgrades to SHS are complete, rooms 300 and 301, the science wing, the auditorium, and the Frohman Planetarium, which is spectacular, the finest in the Midwest. Many thanks to the Frohman family for their continued support. The new buildings, grades 3-6 next to SHS, and the new Ontario, grades 1-2, are really progressing nicely under the management of Mosser Construction. They will be ready for the 2020-2021 school year.

The new community natatorium project, to be built next to the renovated existing pool, in the parking lot, is moving along. Please continue to donate (see the enclosed brochure) as every dollar counts. Every third grade student will be afforded swim lessons, so important living on Lake Erie, and it will be open daily to the community.

Your Alumni Association continues to support deserving students with significant scholarship dollars, given out at the senior awards banquet.

On a personal note, our grandson, Max Corso, class of 2019, received the Malinovsky award, given to the top all around senior boy. He has had a great four years at SHS, National Honor Society, records as a football kicker and soccer, the first SHS Global Experience student to travel out of state. Max spent three months in Montana on a 100,000 acre cattle ranch. He plans to attend Iowa State to study animal science.

Your alumni association meets quarterly, January, April, July, and October. Our next meeting is July 17th, a pot luck, at our home, 1020 Cove Park Blvd. Everyone is welcome. Call 419-627-9964 for directions.

Remember to renew your membership if applicable, encourage other alumni to sign up, and continue to support Sandusky Schools.

Many thanks to Chris Zess, our newsletter publisher. Send her any news you might want to share to: SanduskyAlumni@gmail.com or mail to Alumni Association, PO Box 2401, Sandusky, OH 44870

Once a Blue Streak, always a Blue Streak,

An Update from the CEO and Superintendent **Alumni Newsletter June 2019**

There has never been a better time to be a Sandusky Blue Streak. There are so many great things happening throughout the district right now and we could not be more proud. Check out some of the major highlights below.

Academics are always the most important thing we do. With the release of the 2018 Ohio School Report Card we are pleased that Sandusky City Schools received an overall grade of "C", which is our highest grade thus far. This is comparable to every school surrounding the district. A lot of achievements were made last school year in terms of the Report Card, one of the biggest probably being that Sandusky High School earned the Momentum Award. The Momentum Award is presented by the Ohio State Board of Education and recognizes schools for exceeding expectations in student academic growth for the year. Sandusky High School is in the top 5% of all high schools in Ohio for growing students academically. This is an amazing achievement that shows off the hard work and dedication of everyone who is focused on growing our students.

On April 14th, 2019 we held a grand re-opening of the Sidney Frohman Planetarium. Last summer, we renovated the planetarium, making it one of the best K-12 planetariums in Ohio. The updates included new seating, a new dome, and all new state-of-the-art technology. This planetarium will play a key role in our renewed STEAM (Science, Technology, Engineering, Arts, and Mathematics) focus, driving our students to achieve their dreams. This renovation would not have been possible without the continued support of our community and the Sidney Frohman Foundation.

In addition to some major renovations that were made across the district, we are currently in the middle of the largest construction project in the history of the City of Sandusky. Two new elementary schools are being built and a third will start after those are complete. A new building is going up at Ontario Elementary site (for grades 1 and 2) and next to Sandusky High School (for grades 3-6). Both of these buildings have visible walls going up

and we are excited to continue moving along so we can open them in the fall of 2020. Mosser construction is doing an amazing job and we could not be more excited to watch these buildings take shape. For updates on our construction projects, check out our website at <https://www.scs-k12.net/SchoolFacilities.aspx>.

Last month, we provided the community with the spring update of our Transformation Plan. Five years ago, the district embarked on a journey to transform the district, and that is exactly what has happened. As we look forward to the future of Sandusky City Schools there are already great plans set and we are looking to expand on those. Moving forward we will be growing the Transformation Plan to 'Envisioning 2030 – Leading the Change'. This plan will set Sandusky City Schools up for success by planning ahead for the next 10 years and beyond. To learn more about these plans, visit our website at <https://www.scs-k12.net/Transformation.aspx>!

Our Annual Blue Streak Pride 5K will be taking place on Saturday September 28th at Cedar Point Stadium at Strobel Field. Every year we hope to engage more Alumni with this event. We want to invite you to participate in this event by either registering yourself or sponsoring a student. For more information, email me at ASKDRSANDERS@SCS-K12.NET.

This summer, our Marketing Department is looking to highlight different Alumni every week. The goal is to show our families and community the amazing things Sandusky High School graduates have accomplished. If you are interested in being a spotlight, please follow this link to fill out a short form for us (<https://forms.gle/xmWmZ7wgjTPAT4GP8>) or email MARKETING@SCS-K12.NET.

Sandusky City Schools Global Internship Experience

The **Global Internship Experience** has successfully completed its fourth year with the largest group of seniors ever and many paid internships or job offers. The Global Internship Experience provides an opportunity for Sandusky High School Seniors to experience internships in their chosen field of study in preparation for college, career and military readiness. In conjunction with the STEAM focus of Science, Technology, Engineering, Arts and Math, these internships ensure students are prepared for careers in our global society.

The Sandusky City Schools Transformation Plan is designed to dramatically redefine the delivery of academic and educational services. We want to position our students to be able to compete on a Global Level.

Max Corso shared about his internship experience cattle ranching at the IX Ranch in Montana during the GIE Event. Several seniors had wonderful opportunities in business, health careers, engineering, welding, construction and more. We also have seniors continuing their journey in the military as well.

Sandusky High School Global Internship (continued)

A quote from a SHS Global Internship Alumni who continues to intern in Engineering while in college, "It was amazing. I can't even put it into words, it gave me a vision of my future, I have really changed as a person." ~ Stanley (NASA Plum Brook Station, JBT Food Tech and LewCo)

A huge thank you to all the businesses and community members who partner with the Global Internship Experience. Also thankful for the *Drive for a Better Future Grant*, that has provided Driver's Education for 12 high school students this year, so they can get to career goals.

For more information on the **Global Internship Experience**, call Erin Cremean, 419.984.1086 or email askglobalexperience@scs-k12.net.

2020 Alumni Directory Kickoff

It's been six years since the SHS Alumni Association published an Alumni Directory! A committee has been formed and will meet in June 2019 to begin the process of gathering and updating alumni contact information for a 2020 SHS Alumni Directory.

This fall, postcards will be mailed to each of you inviting you to participate. The card will have the SHS logo and either the superintendent's or the Alumni Association's president's name on it, so that you know it is a legitimate inquiry.

When contacted, please submit your updated information so that we may continue to stay in touch with fellow classmates.

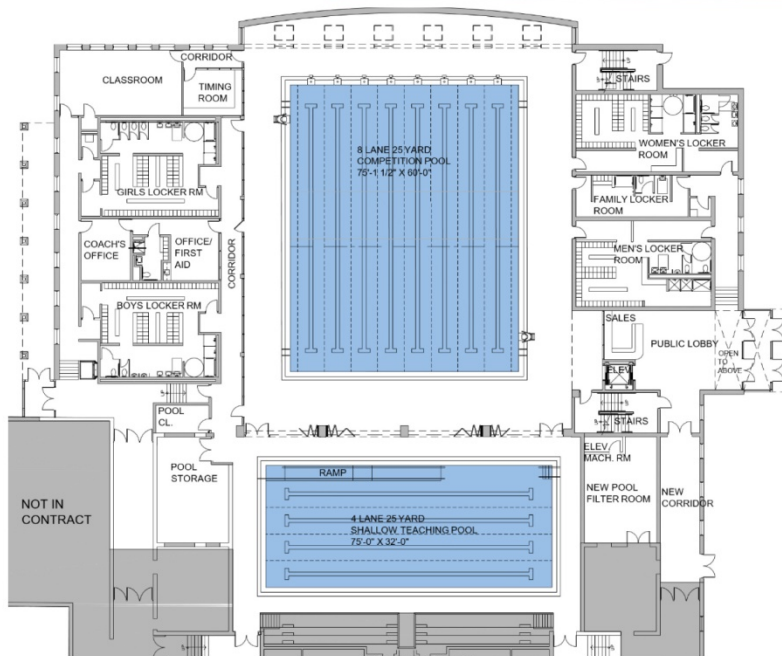

Sandusky Aquatic Center - This project is moving forward, but could use your help. Please consider making a donation to make the aquatic center a reality!

SHS Alumni Scholarships

The 2nd Annual SHS Senior Scholarship Banquet was held in May. The SHS Alumni Scholarship was awarded to Samantha Siesky and Willem Wade. The award recipient for the Ralph B & Helen C Seitz Memorial Scholarship was Ja'Torry Johnson. Congratulations to all the graduating seniors as they move to the next phase of their lives. Special thanks to Ms. Stephanie Schlett, Mr. Trevor Hayberger, and Mr. John Nejedly, who made the presentations.

OSU Alumni Scholarship

Alexis Whited-Gant (center), was awarded the Ohio State University Alumni Scholar Award. She is pictured with her high school counselors, Mrs. Sidoti-Palmer (left) and Mrs. Davis (right)

Blue Streak Booster Club Scholarship Winners

Congratulations to our Blue Streak Booster Club Scholarship winners!

College Grads Visit SHS Counseling Department

Four former students surprised SHS Counselors, Kristina Davis and Babe Sidoti-Palmer, with their **COLLEGE DEGREES!** They came in to thank the counselors, but they were the ones who have earned the spotlight! Their former counselors are so incredibly proud of them! (Mrs. Sidoti-Palmer, Lupita Yado, Gianni Darden, Austin Turner, Justin Tapp and Mrs. Davis)
