

Sandusky Home Town News

June 2018

Sandusky High School Alumni Association

Greetings Blue Streaks:

It's been a while in coming, but I am very pleased to announce our new newsletter manager, Chris Zess. She has agreed to take over the reins from Pat Volz who has done a beautiful job of putting together the newsletter over the past several years. Many thanks go out to Pat for her tireless efforts.

Chris is a retired computer teacher from Sandusky City Schools. She is married to retired SCS Food Service manager, Gene Zess, and stays involved with Sandusky Schools as much as possible. Chris has a very out-going personality and a beautiful smile. We are very lucky to have her.

There are lots of exciting things happening in Sandusky City Schools. Thanks to the community's continued support of our school system, a 70 million dollar bond issue was passed in November of 2016 to build three much needed new elementary buildings, make several upgrades to the high school science wing, and add new state of the art equipment to the Frohman Planetarium. A private effort is also going on to raise funds for a new swimming pool. Sandusky High School is now 61 years old, still in beautiful condition, but is not up to par for 21st century technology. We are very thankful to Sandusky residents who recognized the need for improvements to our buildings.

Our Alumni board continues to promote and support our wonderful, diverse school system as often as we can, and we thank you, alumni all over the country and world, for your continued interest in your alma mater. There are several opportunities in this newsletter to make contributions, if so desired.

As always,
"All Hail the Blue and White!" Go Blue Streaks!
Jim Corso, '63
Alumni President

An Update from the Chief Executive Officer and Superintendent

Hello Fellow Blue Streaks,

As we prepare to wrap up the 2017-2018 academic year and look forward to our summer programs, our Blue Streak Pride is alive and well. We've had a terrific year, both in the classroom and on athletic fields of competition. We are prepared to send yet another senior class into the world, well prepared to pursue their dreams and aspirations. Becoming the Chief Executive Officer and Superintendent of Schools in my hometown is one of my most cherished accomplishments. All alumni should be very proud of our students, faculty, administration and school board members as we focus on our key organizational theme of "Building Better Dreams."

There are a number of significant and historical activities occurring this summer that all SHS graduates need to know about. We have so many exciting things going on that there is not enough print space to share everything, but I will include the highlights. This summer, we are making some amazing and dynamic improvements to our high school. For the first time in 60 years, we are building new science, physics, biology and chemistry labs. This will allow our students to have 21st century learning tools at their disposal and ensure they can be competitive in a global environment. Additionally, we are investing over half a million dollars in the Frohman Planetarium, the most significant upgrade in the fifty-year existence of the facility. I am also excited to share that we are renovating Lecture Halls 300 and 301 into collegiate-level, technology-driven spaces, which will rival any college campus in America. Finally, we are providing a new sound system and new lighting in the SHS auditorium, which will replace equipment as old as sixty years. You can see, this is a big summer for transformation in the district.

We are in the midst of our 72-million-dollar school construction program, and I encourage you to go to our website to read about all of the details of our plan. We are also humbled to have been identified as a 2018 District of Distinction, by the District Administration Leadership Institute of Connecticut. We were honored for our commitment to innovation, creativity, and transformation, specifically for our Global Internship Program. This is a great time to be a Blue Streak!

If you live out of town and you would like to tour any of our schools, just let me know and we can arrange a private tour for you and your family. You can reach me directly at ASKDRSANDERS@SCS-K12.NET or at 419.984.1000. Thank you for your continued support of our children and families, as well as the Sandusky community.

Go Blue Streaks,

A handwritten signature in black ink that reads "Eugene T. W. Sanders". The signature is written in a cursive, flowing style.

Eugene T. W. Sanders, Ph.D.

Teacher Appreciation Day

Facebook Post by Brian Crawford (Class of 1989)

May 8 at 4:13pm

In acknowledgement of Teacher Appreciation Day, I would like to acknowledge the Sandusky Jr. High and SHS Industrial Arts teachers who had been a large part of my life and countless others in school. As I have been around manufacturing environments now for some time, I have learned that what once existed in Sandusky Schools was one of a kind and unlike any place else. It was common knowledge by area employers that if you came from Sandusky's Vocational Programs, you knew what you were doing and were a solid candidate for hiring. Sadly many of these classes and programs no longer exist. As I talk with others from many other school districts around Ohio it was quite clear Sandusky's Industrial Arts was undoubtedly second to none!

The teachers I had were Mr. Alexander in 7th, Mr. Boltz in 8th, Mr. Lenhart -Metals, Mr. Cornwell -Construction, Mr. Schweinfurth -Graphic Arts and Electronics, Mr. Bailey -Architecture, Mr. Buck -Drafting, and last but not least Mr. Fial's -Photography class, probably the most fun I've ever had in school! Thank You.

Terry W Everson: With kudos to all the teachers mentioned, I'd like to go back another generation and add a few more names: Mr. Carpenter, Mr. Clark , Mr. Coe, Mr. Wagner, Mr. Homer Smith, Mr. Madama, Mr. Mackey, Mr. Shillman, Mr. Leslie, and of course my dad, Mr. Wayne Everson. The last two headed the second largest trade school and adult education programs in the state of Ohio. My dad designed the industrial arts wing of the "new" high school on Hayes Ave. Those guys helped a lot of young men, some of them with very troubled lives; find good, well-paying jobs, something that is vitally needed now.

(Many other Industrial Arts teachers were fondly acknowledged in the Facebook post but are not listed due to space limitations.)

Heminger (1968) for Sandra Walters Schaefer (1968) and Jackie Gant Collins (1968)

Celebrating 200 Years of Sandusky

(from 2018 Bicentennial website)

“200 years ago, Sandusky was founded as a city of visionaries – people who understood the unique advantages of building a city sheltered by a beautiful, natural bay and adjacent to Lake Erie’s only island chain. These pioneers decided to put down roots and call it home. In 2018, we will celebrate these visionaries and the proud history that is Sandusky, Ohio.”

“We’ll hear stories of the Underground Railroad, Masons who have been here for 200 years and anchor institutions that helped shape the landscape we see today. 2018 will also be a time to build a unified community with a shared vision; a city that knows their path forward. It will be a year of celebration and pride, and a time to attract new customers to the city and tell Sandusky’s story in a way it has never been told. The Bicentennial is about creating and building on partnerships, momentum and collaboration to create a year unlike Sandusky has ever seen before.” ~Sandusky 2018 Official Guide, www.sandusky2018.com.

Sandusky Bicentennial Events – There will be lots of fun and chances to meet high school friends!

- Stars and Stripes Celebration; Washington Park – July 4
- Festival of the Sail; Jackson Street Pier – July 12-15
- Founders Day Parade; Hayes Avenue to Jackson Street Pier – August 18

For more details, visit: www.sandusky2018.com.

Class of 2018 Scholarship Awardees

The May 2nd SHS Senior Scholarship Banquet was a huge success with more than 114 scholarships awarded to 39 seniors. A large number of donors and presenters were in attendance to personally award their scholarships.

SHS Alumni Treasurer, Mr. John Nejedly, presented the association's scholarship to two deserving seniors: Molly Franklin (The University of Connecticut) and Samuel Hunter (Bowling Green State University). The Ralph B. Seitz and Helen C. Seitz Memorial Scholarship was awarded to Macy Smith (Kent State University).

Two other prestigious awards, the Malinovsky Award and Stauffer Award, were presented to Scholar-Athletes JaVez Alexander and Molly Franklin. JaVez is pursuing his college education and football career at Michigan State University. Molly will continue her academic studies and swimming career at University of Connecticut.

JaVez Alexander and Molly Franklin are pictured to the right.

The SHS Commencement was held on June 3, 2018.

We wish the SHS graduating **Class of 2018** much success and happiness, and welcome the newly enrolled Kindergarten students—the **Class of 2031!**

Introducing the Sandusky Education Foundation: Enriching the Educational Experience

In 2013, a group of dedicated alumni and friends of Sandusky City Schools led by Jeff and Lauralee Krabill established the Sandusky Education Foundation as a tax-exempt non-profit organization to support the programs and initiatives of our school system. For several years this group worked diligently to raise the seed money to formally launch the foundation, and in November 2017 they hired local non-profit development and fundraising professional Jennifer Lippus as the first full-time Executive Director of the organization. Jennifer's focus is on securing contributions that will be used to benefit both the capital and operating needs of the Sandusky City Schools.

Why a Foundation?

The assets of an independent foundation can be invested in ways that protect the principal funds while creating the best return on these investments. In addition, while the Ohio Revised Code closely defines how public entities such as school districts can do business, foundations provide an opportunity for benefactors to more closely define how their money is used. Furthermore, foundations can protect the anonymity and privacy often sought by donors.

Our Mission

The mission of the Sandusky Education Foundation is to support the Sandusky City Schools in providing a challenging and enriching educational experience that maximizes the learning potential of every student and prepares them to succeed in the 21st Century.

Goals

The primary goal of the Sandusky Education Foundation (SEF) is to provide resources and supplemental educational tools to support the learning environment at all levels, from pre-Kindergarten through high school. We strive to assure that our educators focus on creating well-rounded and skilled graduates by encouraging teaching innovation and effective learning initiatives that are responsive to emerging educational needs. The SEF promotes the continuous improvement of Sandusky schools and its affiliated programs such as the Global Internship Program, the Regional Center for Advanced Academic Studies, the Great Lakes Visual & Performing Arts Academy, the Sandusky Digital Academy and Blue Streak Athletics.

About

Board members of the Sandusky Education Foundation are Jeff Krabill, President; Judy Lewis Corso '65, Secretary; Jim Hart '69, Treasurer; David Amerine '62; Ron Cantelli '78; Dan Poggiali '71; Dr. Eugene T. W. Sanders '76; and John Schumm. For more information on the Sandusky Education Foundation and the ways in which you can support our Blue Streaks, please contact **Jennifer Lippus at 419.370.9127 or jlippus@SanduskyEF.org**.

Sandusky City Schools Aquatic Center Project

WHY DO WE NEED A NEW AQUATIC CENTER?

The current Sandusky High School pool is 61 years old. Pipes are rusted, decks have deteriorated and are less than half the width of those in modern facilities, light levels are well below the recommended minimum, and the swim lanes are more than two feet narrower than a standard competition pool. To best illustrate the seriousness of the need for a new facility, due to a long crack along the bottom of the pool, we currently lose water at a rate equivalent to completely draining the entire pool 3 times in a single calendar year.

The Sandusky Education Foundation is launching a Capital Campaign to fund the construction of the new aquatic center. For more information on this project, please contact:

Jennifer Lippus
Sandusky Education Foundation
419.370.9127
jlippus@SanduskyEF.org

HOW WILL THE NEW POOL FACILITIES BE USED?

A school-wide "Learn to Swim" program will provide our students with knowledge and survival skills that are crucial for children living close to open water. This new facility would also allow Sandusky City Schools to offer aqua-aerobic, recreational swimming and aquatic therapy programs to everyone in our waterfront community, including our senior citizens and developmentally disabled population. Some of the possible uses for this new facility include:

- 🏊 Swim & Water Safety Classes for all 3rd Grade Students
- 🏊 Aquatic Therapy & Physical Rehab
- 🏊 SCUBA Certification Classes
- 🏊 Kayaking/Canoeing
- 🏊 Aqua-Fitness & Water Walking
- 🏊 Lifeguard Training
- 🏊 Fire Rescue Training
- 🏊 Recreational Swimming
- 🏊 Competitive Swimming
- 🏊 Synchronized Swimming
- 🏊 Community Swim Lessons

Announcements and Important Dates:

Anniversaries

Don (1961) and Carla (Morine) Hammond (1964) celebrated their 50th Anniversary with a family dinner. A trip to New York is planned for this fall.

Thomas and Jean (Hottmann) Karbler (1947) celebrated their 60th Anniversary. They were married June 2, 1957.

Robert (Bob) Springstead (1948) and Rhoda (Cecil) Springstead will celebrate their 65th wedding anniversary on July 3, 2018.

Reunions

Class '63 – 55th Year Reunion

Thursday, July 12, 2018

Cameo Pizza, 5:00-9:00 p.m.
\$15.00 per person, pay at the door
RSVP by July 5th to Steve Springer,
stevespringer@bex.net or 419-366-0217

Sandusky, OH; 11:00 a.m.; Buffet cost \$12.19-adults, \$5.19-children under 11 yrs.; drinks sold separately

Obituaries

Cheryl Anne Boos (1963) passed away peacefully Saturday, December 31, 2016. She was born in Sandusky, January 12, 1945. Cheryl was full of life and very proud of being selected as a Breck Girl at the Cleveland Beauty Show in 1961, along with becoming a Job's Daughters Queen in 1962. She was an officer of the Women's Bowling League in Sandusky for several years and was an Instructor of Cosmetology at the International School of Beauty in Sandusky until 1983. In 1985, she earned a degree in Computer Programming for Business from the Arizona Institute of Business and Technology. A private memorial was held with close friends and family, Tuesday, January 3.

Fred Stumpf—the class of 1966 has lost a class member. Fred Stumpf passed away April 30, 2018, in Houston, Texas. Memorial services were held May 5, 2018 in Houston.

William E. "Bill" Guckert, 89, beloved husband of Nancy (nee Hirschy) Guckert, devoted father of Jim (Susan) Guckert and the late Diane Connolly, father-in-law of Tim Connolly, loving grandfather of Alex & Sarah Guckert and Erin & Catherine Connolly, dear brother of Norma Jean Andres, passed away peacefully Friday, April 6, 2018. Born and raised in Sandusky playing trumpet in Lake Erie resort dance bands, Bill graduated from Bowling Green State University in Business Administration. After serving in the Army during the Korean Conflict, Bill moved to Cleveland where he married Nancy, raised his family, and worked as Asst. VP of the Chilcote Company. A Memorial Service was held Saturday, April 14, 201. Memorials may be directed to Compass Christian Church. Visit Muellerfunerals.com

In Memoriam – Alumni deaths through May 15, 2018, excluding July 13, 2017 through December 31, 2017. We offer many thanks to John and Judy Mears for keeping track of our deceased classmates, and to Judy Corso for compiling them. Please email corrections or additions to Judy: mamacorso@aol.com.
