

Responsibilities of the Educator

Be informed:

1. Meet licensure requirements in a timely manner, including the submittal of the licensure renewal applications;
2. Know the professional development and renewal application requirements for educator licensure, including the meaning of license issuance and expiration;
3. Choose coursework and other professional development activities that align with the appropriate Ohio Educator Standards (available on this page), and
4. Know district goals, particularly as identified in the district's Comprehensive Continuous Improvement Plan (CCIP) or the district's Strategic Plan

Abide by LPDC operating procedures:

5. Follow the LPDC procedures, criteria and timelines for reviews of IPDPs;
6. Submit the IPDP for LPDC approval soon after receiving a new or renewed license;
7. Obtain LPDC approval of the IPDP before engaging in professional development
