## Letter From the President

Hi, everyone. I hope everyone has had a good year and that next year will be even better.

This is my Swan Song as President as I will be in the position of Past President and heckler for the new President which you will choose in January. Please support the new officers and we can make this a going organization. I'm sure there will be some new ideas and some new enthusiasm infused into the group.

The most important thing for all to remember is that we cannot succeed without your attendance and commitment. "Don't ask what the organization can do for you but rather what you can do for the organization and the School System".

Thanks for your support and have a great Christmas and New Year.

John Mears, President and Founder

We are going to keep this simple and reasonably priced with little or no cost to our class treasury. We will not send out any mailings or letters – It will be done through email and word of mouth only, so start spreading the word! We hope to have Bea put the notice on our Class Website also. This will not require organizing a committee or require work and will be a one-night party only. Just fun, food, fellowship and festivity!

Depending on how many reservations we get, we will either have a buffet dinner or order from a nice small selective menu. Each classmate will receive a bill after dinner to pay for their own dinner and drinks. The class will not be handling any money.

And Our Classmate Jim Jackson has offered to bring his wonderful selection of music and equipment and will be our DJ playing any and all of our favorites. Thanks, Jim!

What we need to know from you now is: Would you consider attending our "65th" Birthday Celebration? With many of our classmates out of town, we wanted to get the first notice out early so you can plan ahead. Please email me or call with your tentative reservation. Thanks!

The class of 1950 is up and running and on the way to their 65<sup>th</sup> reunion in 2015! They just wrapped up a super reunion luncheon on September 16 with 55 attending. All agreed to get together next year and each year after. A moment of silence was held to honor the classmates that have been lost. They will never be forgotten as long as they are remembered by their classmates. The event committee was Mary Angelo Steele, Marilyn Barbour Ohlemacher and Pat Piper Caldwell. ### 1973

David Springstead Sr was back in Sandusky on November 20 as part of the cast of a national touring company of "Fidler on the Roof". David portrays Lazar Wolf, the butcher, in the production and is understudy for the lead role of Tevye. Classmates may remember that David had the role of Tevye in the Sandusky High School KeyNotes production of the play in 1972.

Speaking of talented members of the class of 1973, Lynne Wintersteller, now of New York City, appeared as the featured vocalist for the third consecutive holiday concert of the Firelands Symphony on December 11. Following the Holiday Movie Memories program at the State Theater, Lynne and her husband visited with classmates and friends at Crush Wine Bar. You can update yourself on Lynne's career at <http://lynnewintersteller.com/>

### 1976

Ardis Hartley Billey writes: Last summer, our mother was shopping, by herself, at the Meijer's store in Sandusky, as was her weekly routine. She fell down when leaving the store and was badly injured. Our mom, who was in a lot of pain, waited for medical help to arrive. As they weren't coming, she was scared and her condition worsened so she tried to drive herself to get medical assistance. Two good Samaritans saw her and, deeply concerned for her, followed her to urgent care. It has been very distressing to my family not knowing what happened to her. We are trying to find these two good Samaritans, who were, besides the medical teams and her doctor, that never gave up trying to save her, the real heroes and a bright light of human compassion in this horrible situation. If anyone reading this newsletter, or anyone from the Sandusky or surrounding area knows these people that helped our mom, please call me at 440-241-6978. Our family wishes you the happiest of holidays and a healthy and prosperous new year!

### 1995 & 1996

For an update on Sarah Ringholz Peugeot (1995) or on Gregg Peugeot (1996), see 1969.

### 2000

El Da' Sheon Nix writes: Hello fellow SHS Alum. I was a former student-athlete that graduated in 2000 and proceeded on to Northwestern University with a football scholarship. Several years ago, myself and 9 other former student-athletes started an annual scholarship fund that has been an amazing project! It's called the "Class of 2000 Streak of Excellence" Award. Please visit this link to get more information and to hopefully find ways in which you would be willing to support this cause as we prepare for our 2012 recipient: <http://www.giveforward.com/2012streakofexcellence>
