## Sandusky High School Alumni Association

### Sanders Named Interim Superintendent

Dr. Eugene Sanders, a 1976 graduate of Sandusky High School and former superintendent of the Cleveland school district, has been hired as the interim superintendent of Sandusky City Schools. He also served as superintendent of Toledo schools before the Cleveland position.

He replaces Thomas Tucker, who has resigned to accept the position as superintendent of Lorain City Schools. A graduate of that district, Tucker has previously worked as band director, principal and human resources director in Lorain.

Sanders will serve a one-year commitment to Sandusky schools. Board members expect to start searching for a permanent replacement for Tucker in January.

"We have the utmost confidence that his leadership, combined with our strong team of administrators, teachers and staff, will help move our district forward in many positive ways," said board president Faith Denslow in a statement.

### 2012 Scholarship Winners Named

The 2012 Sandusky High School Alumni Association Scholarship award winners are: Heather Gruhlke and John Pankow. Each will receive \$1,500 toward their education.

Congratulations to both and to the rest of the 2012 graduating class.

The following note was received from John Pantow: I would like to express my great appreciation for the Sandusky High School Alumni Association Scholarship which I received at the SHS award ceremony in May. I am certain that many deserving Sandusky High School students met the requirements to receive this scholarship. To be chosen by you as a recipient is truly an honor and humbling experience. With this being said, I can assure you that your incredible generosity will not go to waste, for I have definite goals and a will to better myself through the educational tools that will be available to me in my following years of college. This \$1,500 scholarship will greatly relieve my parents' financial situation and jumpstart my life. Once again, thank you to everyone who supported and continues to support this decision.

## Letter from the President . . .

Greetings from Jim Corso:

I'm starting to believe that old saying, "the older you get, the faster time goes". Summer seemed to streak by and here it is, the beginning of a new school year, football, cross country, school open houses, and all those things that tell us those lazy, hazy days of summer are almost over for another year.

The SHSAA had a tasty summer potluck on Jeff and Laura Lee Krabill's beautiful rooftop setting. We met the new athletic director, Shawn Copley, heard a farewell speech from Tom Tucker, and talked about alumni plans for the coming year, including participation in the Homecoming parade on Oct. 11<sup>th</sup>, a tailgate with the Booster Club and a cider and donut stand at the Homecoming football game against Shelby on Oct. 12<sup>th</sup>.

Through your memberships we continue to support scholarships to SHS seniors and provide a "bulletin board" venue for news and announcements from classmates with our newsletter.

I hope everyone has had a great summer, and I hope to see you at our beautiful Strobel Field, Cedar Point Stadium, cheering on our Blue Streaks. Go Streaks!

## Meet the New Athletic Director

Hello, my name is Shawn Coakley and I want to take this opportunity to introduce myself.

I earned my Bachelor's Degree from West Liberty University, Master's Degree from Ashland University and Superintendent Certification from Bowling Green State University.

I have been a teacher, coach, and administrator for the past 22 years. I have experienced the excitement of winning many team titles, from conference all the way to state championships, and the disappointment of losing the same. These experiences over the years have shown me how each win and loss, in their own way, can provide the energy and motivation needed to propel myself and my student athletes to conquer new challenges.

As your Athletic Director, I am excited to be a part of an athletic program that has such a rich history as Sandusky High School. I promise you, I will work hard each day with our students, staff, parents, and community to maximize our teams' potential.

On a personal level, I am the proud father of three daughters, all who have competed at the varsity level at various sports, while maintaining outstanding classroom achievement. Their mother and I value what a positive influence athletics has been in our lives and the lives of our children.

I invite you to come out this fall and see our student athletes compete. Whether you like golf or tennis, volleyball or soccer, cross country or football, cheerleading or the marching band, we have an exciting event waiting for you.

Please don't hesitate to stop by the athletic office or say hi at a game. I'll be the loud one on the sidelines yelling "Go Blue Streaks".

## Secretary Needed

Due to the resignation of Heidi Henry, who has moved out of state, we are looking for a new secretary for the SHS Alumni Association. It doesn't take much time, just the willingness to take minutes at the quarterly meetings and being a little computer savvy. If you're willing to give it a try, contact Jim Corso at [JCorso2000@aol.com](mailto:JCorso2000@aol.com)

## Band Instruments Wanted

Although some of us continue to utilize our high school band instruments throughout our lifetime, many do not and the instruments themselves get pushed farther back into the closet or attic. Why not give that flute or trumpet a new lease on life by donating it to the Sandusky Band Program? Contact the high school band director, Daniel Klohn at [DKlohn@scs-k12.net](mailto:DKlohn@scs-k12.net) to offer your donation.

I have so many fond memories of Sandusky and all the students from Sandusky High who were there as my classmates – my husband from the 1933 class – Paul Bertholy, who was the president of his class–61 years of marriage we had and one beautiful daughter, Pamis (now deceased).

"At the end of April, my wife Jean and I drove to Greensboro NC for the US Masters Champs. Here I again won the 1,000 free style, 500 free style, 200 free style plus got a second the in the 200 yard backstroke while swimming for O\*H\*I\*O. ### 1947

The Class of 1947 is very proud that the Oakland Cemetery Veterans Memorial has been cleaned and refurbished.

For years the Class of 1947's member **Audrey Shafer** has lamented the gradual decay of the memorial. It had been almost 40 years since the memorial was last renovated. Shafer, whose late husband William fought in World War II, believed the veterans deserved a renovation.

Erie County Leadership program participants were required to pursue a service project for graduation. Leadership program members, Jon Long and Anna Meyer joined Audrey in the effort to raise money for the project.

The group raised over \$12,000.00 for the renovation of this memorial, first dedicated in 1925. The leftover funds have been given to the City of Sandusky, to be put in a perpetual fund for further renovations.
