To All Members of the Sandusky Alumni Association

I am so pleased to write to you today to provide a brief update on the programs and initiatives occurring at our alma mater. You will be pleased to know that the pride, tradition, and spirit of excellence that has been a part of our school system for over 180 years is still present in our students in 2016. These are exciting times in our district as we celebrated our third year of consecutive increased enrollment and continued progress on our Transformation Plan. At SHS, we have initiated Blue Streak University (students securing college credit while in high school), the Great Lakes Visual and Performing Arts Academy, and the successful launching of the Global Internship program where our seniors are engaged with over 120 business and industries in the community and around the world. As you can see, things are busy and exciting in our schools.

Thank you for being a member of the Alumni Association and your continued interest in our students. Because of your interest and engagement with your alma mater, we are able to continue the fine traditions that make our schools so dynamic. Please feel free to contact me if you would like to arrange a personal tour for yourself or your classmates. I love showing off our school. Please plan on joining us for homecoming this October as the entire community will celebrate the enshrinement of Orlando Pace into the National Football League Hall of Fame during our Homecoming Parade. This promises to be a historic event and more details will be forthcoming.

Finally, I cannot tell you how proud I am to serve as the CEO and Superintendent for our schools. It's an awesome opportunity to contribute and give back to a school district and community that has been so wonderful to me and all of us. I am looking forward to seeing you at your reunions and gatherings. Please feel free to reach out to me if I can be of any assistance.

GO STREAKS!

Eugene T. W. Sanders, Ph.D.
CEO and Superintendent
Class of 1976

What Class . . .

After 40 years, **William Kraus**, class of 1952 and former high school choir director, performed his last concert as director of the Sandusky Choral Society this spring. **Heather Love Carman** (1989), will be taking over as the new director in the fall.

L. Forbes Hotchkiss (1954) reports that they are now retired, having sold their business 5 years ago. He worked into his seventies and is still having some difficulty adjusting to retirement. He is still racing a sailboat as he did in Sandusky – although not as fast as he would like – he speculates that may be age related. He misses Sandusky, noting that he had a Tom Sawyer life style and didn't know it until he left. Things are good. The Lord has provided five children and 13 grandchildren to keep them active.

He also wishes that members of the class of 1954 would provide more updates to the Hometown News – so let's see if we can make that happen.

Sheri (Vannatta) Fitz (1976) was named Ohio Association of Elementary School Administrators Secretary of the Year! She works at Granby Elementary School in Columbus.

Jim Obergefell (1984) visited Sandusky this month to promote his book "Love Wins: The Lovers and Lawyers Who Fought the Landmark Case for Marriage Equality". It was co-written by Debbie Cenziper, a Washington Post investigative reporter. Obergefell was the plaintiff in the 2015 Supreme Court case that legalized gay marriage.

Martin Howell (1990) is the senior architect for the White House and President's Park. He works for the National Park Service. He's also done work at the Eisenhower National Historic Site and Gettysburg National Military Park; at Ellis Island; at Peterson House, the house where Abraham Lincoln died; the U.S. Supreme Court building and the U.S. Capitol Building. His family has a number of SHS graduates - **Linda Streng Howell** (1965) and brothers **Kevin** (1992) and **Jim** (1997).

Chad Fisher and his wife **Katie Fisher** (both 1990) with their team at Rock City Church in Columbus are celebrating their 5-year anniversary

On January 21, 2016, **Brian (1992) & Mira Gundlach** welcomed their fourth child, a son, Timothy Harland Gundlach.

C.J. Bailey (1994) has accepted a new call at First Lutheran in Tiffin, Ohio. He and his wife **Wendy (Geasan) Bailey** (1995) have two sons, John and Andrew.

What Class continued

(Originally posted by the Erie County Sheriff's Office.) Deputy **Greg Hall** (1998) is an employee of the Erie County Sheriff's Office and is assigned to the Erie County Department of Job and Family Services. Deputy Hall goes out of his way for every child he comes in contact with making them feel comfortable and taking the time to talk with them. Deputy Hall is very resourceful and will help a family out in any way he can. He is known throughout the building and with other professionals as being extremely patient and having an ability like no other in de-escalating families in very stressful and intense situations. Deputy Hall is always a phone call away from dropping whatever he is doing to help in any way he can. Thank you Deputy Hall for all that you do, and congratulations for being this year's ACE award winner.

Taylor Vargo (2013) advanced to the semifinals of the women's 200-meter breaststroke at the US Olympic Trials, finishing 12th overall in the competition with a time of 2:27.99. She is entering her senior year at Ohio State, where she has placed in two Big Ten events and took 17th at the NCAA championships. **Geena Freriks** (2015), also competed at the trials. She just completed her freshman year at the University of Kentucky.

Davion Fisher (2016) won the state title in the Division I long jump competition this spring with a jump of 24-feet even. He is Sandusky's first state track and field champion since **Daily Moore** (2009) won the 110-meter hurdles in 2009.

The Printing Story

Joe and Kathy Loris began their business, Loris Printing, shortly before their marriage. Many celebrations have been held including a ribbon cutting ceremony with the Chamber of Commerce honoring them and the new owners their daughter **Debby (Loris) Hofer (1990)** and her husband Craig Hofer, on the business surviving for 50 years.

It all began with Joe taking the printing class at SHS and liking it so much that he purchased his own printing press in 1965. Joe and Kathy began their business as a Letterpress Shop in 1966 when they got married and later included Offset Printing.

Now with Debby and Craig as owners, it has transitioned into an all-digital print shop. With the rapidly growing business, they have moved to a new location and employ 10 people. Loris Printing specializes in all areas of social and commercial printing.

After retiring from Loris Printing, Joe and Kathy needed something to keep them busy. The old letterpress equipment wasn't needed at Loris Printing anymore, so it was kept at the previous building that Joe and Kathy owned. It is now called The Olde Printery and is a museum of old printing equipment. Joe still enjoys doing printing jobs once in a while and talking to people that come in about printing. There are no certain hours to the museum, stop by when they are open or phone for an appointment. This lets them hop in their RV and travel when they want.

They also participate in the heritage barn display at the Erie Co Fair having printing equipment displayed with a working printing press.

Thanks to Sandusky High School for offering the printing class! After graduation Joe worked as a printer at Stephens Printing and Sandusky Folding Box along with also having their own business.

What Class HELPED You the Most?

As I transcribe the various items that have been submitted for this issue of the newsletter, I'm feeling very grateful that I took a semester of typing from **Mrs. Giovagnoli**. My original purpose was to help me type term papers in college, but the explosion of computers has really kept those touch typing skills from getting rusty. I wonder what Mrs. G would think about auto-correct?

In the previous article, Joe Loris shared how taking a printing class at Sandusky High School set his career path. So what class made a difference for your life? Why? We will share the replies in the next issue of the newsletter. Send to SHS Alumni, PO Box 2401, Sandusky OH 44871-2401 or SanduskyAlumni@gmail.com
