BOARD OPERATION GOALS

The primary responsibility of the Board is to establish purposes, programs and procedures which produce the educational achievement needed by District students. The Board must accomplish this while also being responsible for wise management of resources available to the District. The Board must fulfill these responsibilities by functioning primarily as a legislative body to formulate and adopt policy, by selecting a Superintendent to implement policy and by evaluating the results; further, it must carry out its functions openly, while seeking the involvement and contributions of the public, students and staff in its decision-making processes.

In accordance with these principles, the Board seeks to achieve the following goals:

1. to concentrate the Board's collective effort on its policy-making and planning responsibilities;
2. to formulate Board policies which best serve the educational interests of each student;
3. to provide the Superintendent with sufficient and adequate guidelines for implementing Board policies;
4. to maintain effective communication with the school community, the staff and the students in order to maintain awareness of attitudes, opinions, desires and ideas;
5. to allow those responsible for carrying out objectives to contribute to their formation;
6. to conduct Board business openly, soliciting and encouraging broad-based involvement in the decision-making process by public, students and staff and
7. to periodically review its performance relative to the goals.

SCHOOL BOARD LEGAL STATUS

The Ohio General Assembly has delegated responsibility for the conduct of public schools in each school district to a local board of education. Boards of education are political subdivisions of the state and members of a board are officials elected by the citizens of a district to represent them in the management of the public schools.

Legally, a board of education is a body politic and corporate, capable of suing and being sued; contracting and being contracted with; acquiring, holding, possessing and disposing of real and personal property; and taking and holding in trust for use of the district any grant or gift of land, money or other personal property.

The Board of the Sandusky City School District is composed of five members, elected by the citizens of the District. A regular term is four years.

BOARD MEMBER AUTHORITY
(And Duties)

Because all powers of the Board lie in its action as a group, individual members exercise their authority over District affairs only as they vote to take action at a legal meeting of the Board.

An individual Board member acts on behalf of the Board only when, by vote, the Board has delegated authority to him/her.

It is the duty of the individual members of the Board to attend all legally called meetings of the Board, except for compelling reasons to the contrary, to participate in normal Board business operations and represent all citizens' interests in matters affecting education.

SCHOOL BOARD ELECTIONS

Members of the Board are elected at large by the qualified voters of the District on a nonpartisan ballot on the first Tuesday following the first Monday in November, in odd-numbered years.

The Board member is elected to a four-year term of office and assumes office on the first day of January after the election. Terms shall expire on December 31, except as otherwise provided by law. In a four-year period, terms are staggered so that two members are elected in half of the four-year period, and three elected in the other half.

Candidates for election are nominated by petition. In city school districts in which the population is at least 20,000 but less than 50,000, the petition must be signed by 75 qualified electors of the district.

Under State law, a board member must be an elector residing in the District. To qualify as an elector, a person must be a citizen of the United States, 18 years of age or older, a resident of the state for at least 30 days prior to the election and a resident of the county and precinct in which he/she offers to vote for at least 30 days prior to the election.

A variety of other public positions, elected and appointed, have been determined by the General Assembly or the courts to be incompatible with board membership. Generally, offices are considered incompatible when one is subordinate to, or in any way provides a check upon, the other, or when it is physically impossible for one person to discharge the duties of both positions.

Before taking office, each person elected or appointed to the Board is required by law to take an oath of office.

UNEXPIRED TERM FULFILLMENT
(Board Vacancy)

A vacancy on the Board may be caused by:

1. death;
2. nonresidence;
3. resignation;
4. failure of a person elected or appointed to qualify within 10 days after the organization of the Board or of his/her appointment or election;
5. relocation beyond District boundaries or
6. absence from Board meetings for a period of 90 days, if the reasons for the absence are declared insufficient by a two-thirds vote of the remaining Board members. (The vote must be taken not earlier than 30 days after the 90-day period of absence.)

Any such vacancy will be filled by the Board at its next regular or special meeting not earlier than 10 days nor later than 30 days after the vacancy occurs. A majority vote of all the remaining members of the Board is required to fill the vacancy.

Each person selected to fill a vacancy holds office:

1. until the completion of the unexpired term or
2. until the first day of January immediately following the next regular Board election taking place more than 90 days after a person is selected to fill the vacancy.
(At that election, a special election to fill the vacancy is held. No such special election is held if the unexpired term ends on or before the first day of January immediately following that regular Board election. The term of a person elected in this manner begins on the first day of January following the election and is for the remainder of the unexpired term.)

The shorter of the above options determines the length of office.

BOARD MEMBER CODE OF ETHICS

While serving as a member of my Board of Education, I accept the responsibility to improve public education. To that end I will:

remember that my first and greatest concern must be the educational welfare of all students attending the public schools;

obey the laws of Ohio and the United States;

respect the confidentiality of privileged information;

recognize that as an individual Board member I have no authority to speak or act for the Board;

work with other members to establish effective Board policies;

delegate authority for the administration of the schools to the Superintendent and staff;

encourage ongoing communications among Board members, the Board, students, staff and the community;

render all decisions based on the available facts and my independent judgment rather than succumbing to the influence of individuals or special interest groups;

make efforts to attend all Board meetings;

become informed concerning the issues to be considered at each meeting;

improve my boardmanship by studying educational issues and by participating in in-service programs;

support the employment of staff members based on qualifications and not as a result of influence;

cooperate with other Board members and administrators to establish a system of regular and impartial evaluations of all staff;

avoid conflicts of interest or the appearance thereof;

refrain from using my Board position for benefit of myself, family members or business associates and

express my personal opinions, but, once the Board has acted, accept the will of the majority.

NOTE: This Code of ethics has been adopted by the Ohio School Boards Association Delegate Assembly.

BOARD MEMBER CONFLICT OF INTEREST

The Board and individual members follow the letter and spirit of the law regarding conflicts of interest.

4. the entire transaction is conducted at arm's length, with full knowledge by the Board of the interest of the Board member, member of his/her family, or his/her business associate, and the Board member takes no part in the deliberations or decision with respect to the public contract.

The law specifically forbids:

1. the prosecuting attorney or the city attorney from serving on this Board;
2. a Board member from serving as the school dentist, physician or nurse;
3. a Board member from being employed for compensation by this Board;
4. a Board member from having, directly or indirectly, any pecuniary interest in any contract with this Board;

6. a Board member from authorizing, or employing the authority or influence of his/her office to secure authorization of, any public contract in which he/she, a member of his/her family or his/her business associates have an interest;
7. a Board member from having an interest in the profits or benefits of a public contract entered into by, or for the use of, the District and
8. a Board member from occupying any position of profit during his/her term of office or within one year thereafter in the prosecution of a public contract authorized by him/her or a board of which he/she was a member at the time of authorization of that contract.

INCAPACITY OF THE TREASURER

A treasurer pro tempore shall be appointed by a majority of the members of the Board upon determining that the Treasurer is incapacitated in such a manner that he/she is unable to perform the duties of that office. Such incapacity is determined:

1. by request of the Treasurer, if the Treasurer is absent with pay by reason of personal illness, injury or exposure to contagious disease which could be communicated to others or is absent without pay in accordance with the Family and Medical Leave Act;
2. upon certification of the attending physician that the Treasurer is unable to perform the duties of the office of Treasurer;
3. upon the determination of a referee, pursuant to the Ohio Revised Code, that the Treasurer is unable to perform the duties of the office of Treasurer;
4. upon the granting of a leave of absence, without pay, requested by the Treasurer by reason of illness, injury or other disability of the Treasurer or
5. upon the placing of the Treasurer on an unrequested leave of absence, without pay, by reason of illness or other disability pursuant to the Ohio Revised Code.

During the period of incapacity, the Treasurer shall:

1. at his/her request, be placed on sick leave with pay, not to exceed the extent of his/her accumulated but unused sick leave and any advancement of such sick leave which may be authorized by Board policy;
2. at his/her request, or without such request, pursuant to the Family and Medical Leave Act, be placed on unpaid FMLA leave for up to 12 weeks per year or
3. at his/her request, or without such request, pursuant to the Ohio Revised Code, be placed on a leave of absence without pay.

The leave provided during the period of incapacity (described above) shall not extend beyond the contract or term of office of the Treasurer.

The Treasurer shall, upon request to the Board, be returned to active-duty status, unless the Board denies the request within 10 days of receipt of the request. The Board may require the Treasurer to establish to its satisfaction that the Treasurer is capable of resuming such duties and, further, that the duties may be resumed on a full-time basis.

The Board may demand that the Treasurer return to active service; upon the determination that the Treasurer is able to resume his/her duties, the Treasurer shall return to active service.

The Treasurer may request a hearing before the Board on actions as indicated above taken under this policy and shall have the same rights in such hearing as are granted under ORC 3319.16.

1 of 2

The Treasurer Pro Tempore shall perform all of the duties and functions of the Treasurer and may be removed at any time by a two-thirds majority vote of the members of the Board.

The Board shall fix the compensation of the Treasurer Pro Tempore in accordance with the Ohio Revised Code and he/she shall serve until the Treasurer's incapacity is removed or until the expiration of the Treasurer's contract or term of office, whichever is earlier.

EVALUATION OF THE TREASURER

The Board evaluates the performance of the Treasurer in order to assist both the Board and the Treasurer in the proper discharge of their responsibilities and to enable the Board to provide the District with the best possible leadership.

Criteria for the evaluation of the Treasurer are based upon the Ohio Treasurer Evaluation System.

The Board evaluates the abilities and services of the Treasurer at least once a year.

The evaluation of the Treasurer's abilities and performance is written and made available to and discussed with the Treasurer in conference. The Board must consider the evaluation of the Treasurer in acting to renew or nonrenew his/her contract.

TREASURER'S CONTRACT

The appointment of the Treasurer is secured through a written agreement stating the terms of the contract. The contract meets all State requirements and protects the rights of both the Board and the Treasurer.

The Treasurer is appointed for a term not to exceed five years. The term commences on August 1 and continues through July 31 of the year in which the contract expires. Should a vacancy occur mid-term, the Board can appoint a new hire to a term starting on any date – as long as the length of the contract does not exceed five years from the prior August 1. The period of time in which the Treasurer's contract may be renewed begins on January 1 of the year prior to the contract's expiration and ends on March 1 of the year in which the contract expires.

Salary and benefits are determined by the Board at the time of the appointment and are reviewed by the Board each year. The Treasurer's salary may be increased or decreased during his/her term of office. However, any decrease must be a part of "a uniform plan" affecting salaries of all District employees.

The termination procedures that currently apply to teachers and other administrators, requiring a due process hearing, apply to the Treasurer.

If the Board intends to nonrenew the Treasurer's contract, notice in writing of the intended nonrenewal must be given to the Treasurer on or before March 1 of the year in which the contract expires.

The Treasurer is automatically disqualified from service if he/she fails to maintain his/her license. The Board may permit an individual who does not possess a valid treasurer's license to serve as District Treasurer as long as the individual meets all qualifications for licensure and has applied for issuance or renewal of his/her license but has not yet received the State Board of Education's decision.

Nothing in this policy shall prevent the Board from making the final determination regarding the renewal or nonrenewal of the Treasurer's contract.

The following guidelines may govern the appointment and function of Board committees.

1. The committee is established through action of the Board.
2. The chairperson and members are named by the Board President.
3. The committee may make recommendations for Board action but may not act for the Board unless specifically authorized.
4. The Board President and Superintendent are ex officio members of all committees.

EXECUTIVE SESSIONS

Educational matters should be discussed and decisions made at public meetings of the Board. Some matters are more properly discussed by the Board in executive session. As permitted by law, such matters may involve:

1. the appointment, employment, dismissal, discipline, promotion, demotion or compensation of an employee, official or student or the investigation of charges or complaints against such individual, unless an employee, official or student requests a public hearing (the Board will not hold an executive session for the discipline of one of its members for conduct related to the performance of his/her official duties or for his/her removal from office);
2. the purchase of property for public purposes or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair advantage to a person whose personal, private interest is adverse to the general public interest;
3. specialized details of security arrangements where disclosure of the matters discussed might reveal information that could be used for the purpose of committing, or avoiding prosecution for, a violation of the law;
4. matters required to be kept confidential by Federal law or State statutes;
5. preparing for, conducting or reviewing negotiations with public employees concerning their compensation or other terms and conditions of their employment;
6. in-person conferences with an attorney for the Board concerning disputes involving the Board that are the subject of pending or imminent court action or
7. consideration of confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets or personal financial statements of an applicant for economic development assistance, or negotiations with other political subdivisions respecting requests for economic development assistance provided that:
 - A. the information is directly related to a request for economic development assistance that is to be provided or administered under provisions of State law authorized in Ohio Revised Code Section 121.22(G)(8)(1), or involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project and

- B. a unanimous quorum of the Board has determined by a roll call vote the executive session is necessary to protect the interests of the applicant or possible investment or expenditure of public funds to be made in connection with the economic development project.

Conferences with a member of the office of the State Auditor or an appointed certified public accountant for the purpose of an audit are not considered meetings subject to the Open Meetings Act (Sunshine Law).

The Board meets in executive session only to discuss legally authorized matters. Executive sessions are held only as part of a regular or special meeting and only after a majority of the quorum determines, by a roll-call vote, to hold such a session.

When the Board holds an executive session for any of the reasons stated above, the motion and vote to hold the executive session shall state one or more of the purposes listed under such paragraph for which the executive session is to be held, but need not include the name of any person to be considered in the executive session. The minutes shall reflect the information described above.

In compliance with law, no official action may be taken in executive session. To take final action on any matter discussed, the Board reconvenes into public session.

The Board may invite staff members or others to attend executive sessions at its discretion.

Board members shall not disclose or use, without appropriate authorization, any information acquired in the course of official duties (which is confidential because of statutory provisions) or which has been clearly designated as confidential because of the status of proceedings or the circumstances under which the information was received.

MINUTES

The minutes of the meetings of the Board constitute the written record of Board actions. The Treasurer records in the minutes of each meeting all actions taken by the Board. Minutes need only reflect the general subject matter of discussion in executive sessions.

Minutes shall specify the nature of the meeting (regular or special); time, place and members present; approval of minutes of the preceding meeting or meetings; complete record of official actions taken by the Board relative to the Superintendent's recommendations, communications and all business transacted; items of significant information bearing on action; and a record of adjournment.

BOARD POLICY DEVELOPMENT AND ADOPTION

Proposals regarding Board policies and operations may originate at any of several sources, including students, community residents, employees, Board members, consultants or civic groups. A careful and orderly process is used when examining policy proposals prior to Board action.

The formulation and adoption of written policies constitute the basic method by which the Board exercises its leadership in the operation of the District. The study and evaluation of reports concerning the execution of its written policies constitute the basic method by which the Board exercises its control over District operations.

The formal adoption of policies is recorded in the minutes of the Board. Only those written statements so adopted and recorded are regarded as official Board policy.

Final action by the Board on proposals shall be in accordance with this policy. The Board takes action on most matters on the basis of recommendations presented by the Superintendent. The Superintendent bases his/her recommendations upon the results of a study and upon the judgment of the staff and study committees.

Unless otherwise specified, a new policy or policy amendment is effective as of the date of adoption by the Board and supersedes all previous policies in that area. Unless otherwise specified, the repeal of a policy is effective as of the date the Board takes such action.

POLICY DISSEMINATION

The Superintendent is directed to establish and maintain an orderly plan for preserving and making accessible the policies adopted by the Board and the regulations needed to put them into effect. Accessibility to policies extends to all members of the school community. A policy concerning a particular group in the District is distributed to the group prior to the effective date of the policy.

Distributed policy manuals remain the property of the Board and are considered as “on loan” to anyone, or any organization in whose possession they might be at any time. Manuals are subject to recall at any time deemed necessary for purposes of updating.

The Board’s policy manual is considered a public record and is open for inspection in a location designated by the Board.

POLICY REVIEW AND EVALUATION

The Board reviews its policies on a continuing basis in an effort to keep its written policies consistent with community values and compliant with Federal and State law. Well-written, consistent and compliant policies may be used as a basis for Board action and administrative decisions.

The Superintendent has the continuing responsibility of calling to the Board's attention all policies that are outdated or need revision. To accomplish this, the Superintendent may request input from any Board or advisory committee.

BOARD-STAFF COMMUNICATIONS

The Board wishes to maintain open channels of communication with the staff. The basic line of communication is through the Superintendent. Staff members should utilize the Superintendent to communicate to the Board or its subcommittees.

Accordingly, all official communications, policies and directives of staff interest and concern are communicated to staff members through the Superintendent. The Superintendent develops appropriate methods to keep staff members informed of the Board's issues, concerns and actions.

Board members must recognize that their presence in school buildings could be subject to a variety of interpretations by school employees. If a visit to a school or classroom is being made for other than general interest (i.e., for a specific or official purpose), Board members shall inform the Superintendent of such visit and make arrangements for visitations through the principals of the various schools. Board members will indicate to the principal the reason(s) for the visit. Official visits by Board members are carried out only under Board authorization.

The following techniques may be employed to orient new Board members.

1. Selected materials, Board policies, regulations and other helpful information are furnished the member-elect by the Superintendent.
2. Immediately after the general election, the member-elect is invited by the Board to attend Board meetings.
3. The Treasurer provides agendas and other materials pertinent to meetings and explains the use of the materials.
4. The incoming member is invited to meet with the Superintendent and other administrative personnel.
5. The Board makes an effort to send newly elected members to workshops and in-service programs developed for new members.

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate conferences, workshops and conventions. In order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance.

1. The Board periodically decides which meetings appear to be most promising in terms of producing direct and indirect benefits to the District. At least annually, the Board will identify those new ideas or procedures and/or cost benefits which can be derived from participation at such meetings.
2. Funds for participation at such meetings are appropriated on an annual basis in the Board service fund. When funds are limited, the Board designates which of its members participate in a given meeting.
3. Reimbursement to Board members for their travel expenses is in accordance with the Board's travel-expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate are requested to share information, recommendations and materials acquired at the meeting.

1. awards
2. recognition and incentive items for employees and/or volunteers
3. prizes/awards/programs for students through student activity funds

The Board affirms that the expenses incurred as listed above do serve public purposes which include the promotion of education by encouraging staff morale as well as support for the District’s educational program with citizens, members of the business community, advisory committee members and associated school districts. Expenditures are subject to approval by the Superintendent.
