1947 Theresa (Nesselhauf) Teague, a resident of Wichita Falls, TX attended an Armed Forces Day Hall of Heroes ceremony at Sheppard Air Force Base at the Heritage Center on May 21. Three individuals were recognized including her late husband, Senior Master Sgt. Thurman Teague. Installation Commander Brig. Gen. O.G. Mannon unveiled each display, with memorabilia from their military career, a portrait and a full size mannequin wearing their uniform. The general said without the heroes of the past, the Air Force would not be where it is today. Teague received numerous awards and decorations during his 26 years of service in the Air Force, including the Meritorious Service Medal, earned posthumously, and a Certificate of Appreciation from President Richard Nixon. Theresa has had her poem "Our Forgotten Veteran's" published by The National Library of Poetry. It was written when her husband came back from Vietnam.

Our Forgotten Veterans

Our lady with the torch
Stands with tears in her eyes
For our Veterans forgotten
In wars long gone by.

World Wars I, II, Korea
And Vietnam too.
Veterans who were told
We'll take care of you.

They didn't enlist
But were drafted you see
Still they answered the call
To save you and me.

Some were wounded
And some did die.

Now those who are left
Are forgotten, but why?

Our forgotten veterans
They should come first
They went through hell
They suffered the worst.

75th Anniversary of Strobel Field

This fall marks the 75th anniversary of Strobel Field and the inaugural game that was played on September 25, 1936. This stadium is well known across the state for its history, and we celebrate that history.

On September 17, 2010, Sandusky Blue Streaks hosted Lorain in the first home football game of the season celebrating 75 years of Strobel Field with a win of 17-6. All past football and track and field athletes from Sandusky and St. Mary Central Catholic were invited to attend this celebration. There were appetizers in the press box, someplace most fans have never seen, and the locker rooms will were open for a brief tour. The booster club and football parents had a tailgate party in the parking lot for alumni and their guests to help start the celebration early. Additionally, one of Sandusky Football's most famous alum, Orlando Pace, joined us for the game! He was part of a ceremony at half time to commemorate the 75 years of history and he signed autographs.

A Farewell Message From Superintendent Bill Pahl

Greetings,

It has been my pleasure to work for the Sandusky City School District for the past eight years (2002-2010) as the superintendent and previously for seventeen years (1968-1985) as a teacher. Those twenty-five years have passed by very quickly, but after forty-two years in the education profession I am looking forward to retirement. The past eight years have been great and I wish to thank the Board, our staff and the community for all of the cooperation and support that has been given to the District. Many positive things have taken place through some very difficult times and I feel very fortunate to have been a part of the storied history of the Sandusky School District.

During the past eight years we have seen steady improvement on our annual state report card that includes not only elevated test scores, but higher graduation rates and a narrowing of the achievement gap. Technology has exploded and it continues to drive the District. The voters of Sandusky have continued their strong financial support for the school district with the passage of several important levies. Additionally, with the consolidation of several buildings and reductions in staffing we have saved the taxpayers millions of dollars and at the same time strengthened our academic program. The addition of pre-school classes has provided a very positive impact for our youngsters entering school.

Looking ahead, the District continues to look for ways to save money. Grants financially drive many of our academic programs. Alternative sources of energy, such as wind turbines and solar panels, are being investigated. Sandusky High School is a single-campus comprehensive building that provides a wealth of offerings to our students both academically and in the field of career technology. Mandarin Chinese is one example of the farsighted vision of the District. The Sandusky City School District is in the second year of the Ohio Improvement Process (completely paid for by the Ohio Department of Education) in which all Ohio districts will be required to participate (at their expense) in the years ahead.

Lastly, the Sandusky City School District is seeing tremendous growth in our athletic programs. We see pride in our students as they come to school neatly dressed in their blue and white tops with contrasting khaki pants. Our athletes wear their blue blazers with a white shirt and tie as they travel to games and events. On the athletic field, on the court, and in the gym they are competing at a much higher level with much more success than we have seen in years.

Newsletter Items

Your classmates love to hear what's going on – weddings, anniversaries, births, deaths, accomplishments, hobbies, exciting vacations, etc. These articles do not have to be long. Send them to the SHS Alumni Association at SHSAA, PO Box 2401, Sandusky, Ohio 44871 and we can include them in the next newsletter. Be sure to include your class year.

Membership Dues

We have had several inquiries regarding what your membership dues go toward. Two-thirds of your membership dues go into the SHS Alumni Association Scholarship Fund to help generate interest. This interest is where the money comes from for the two \$1500.00 scholarships we award in the spring to graduating seniors. The other third pays our expenses. Should we not generate enough money in interest for the scholarships, the difference is taken from the remaining third.

Your membership dues include the newsletter subscription.

Membership Dues are:

One Year Single \$ 10.00*
One Year Couple \$ 15.00*

Life Member Single \$ 75.00 **
