

Rider Ship Eligibility

Eligible students will be bussed from the closest approved bus stop to their home only. Babysitting or alternate bussing arrangements are not permitted. This policy is in affect so more students are eligible for bussing services. SCS busses K-6 children by a defined walk boundary (around ½ mile) from their school building. Grades 7-12 are eligible by a defined boundary of approximately 1 mile. The Ohio Revised Code states student's K-8 shall be bussed from 2 miles or further. High School students are not required to be transported at all. This service is considered a privilege by the district. In the event your residence changes, bussing information will be withheld until your new address is verified by the school building. SCS prides its self in safe, reliable transportation. In order to continue our excellent record we ask that you continually review bus rules and regulations with your child.

Here are a few simple reminders:

- 1) Be on time at your bus stop and respectful of other peoples property.
- 2) Stay seated, clear of the aisle, and don't eat or drink. (These are state laws, not the drivers'.)
- 3) Be respectful of your bus neighbor and talk quietly to them.
- 4) The driver is authorized to assign seats.
