Sandusky City Schools District Goals

Academics

We will achieve and maintain the highest standards of academic excellence while providing an environment in which students are encouraged to reach their maximum potential.

Financial Resources

We will maintain and enhance the financial condition of the district so as to provide sufficient resources for our programs and facilities.

Facilities

We will strive to provide an optimal learning, safe and healthy environment for our students, staff and community so that there will be no physical barriers to learning.

Community

We will continue to improve communications with our students, families and community members, as well as our staff. We will encourage collaboration with these stakeholders on all fronts, including the recruitment and retention of students.

Staff

The entire staff of SCS will be held accountable for the success of our students.

We will provide and facilitate professional development for our staff so that they will have the ability to challenge every student. We will recruit and retain highly qualified staff members who will be strongly encouraged to participate in all aspects of the SCS community.

• Welcome •

The Sandusky Board of Education encourages and appreciates the attendance of parents, students, staff members and other interested citizens at meetings of the Board. Decisions of your Board affect our children's education and future, and, in the long run, the well-being of the community. Thank you for coming to this meeting.

• District Goals •

1. **Academics:** We will achieve and maintain the highest standards of academic excellence while providing an environment in which students are encouraged to reach their maximum potential.
2. **Financial Resources:** We will maintain and enhance the financial condition of the district so as to provide sufficient resources for our programs and facilities.

• The Board of Education •

The Board of Education is a policy-making body and, within the framework of State law, exercises complete control over the educational and financial affairs of the school district. Among its numerous duties, the Board adopts an annual budget and approves all expenditures; employs personnel; hires and evaluates a Superintendent of Schools; approves curriculum, textbooks and courses of study; and makes decisions on building plans.

The Board of Education is elected by qualified voters who reside within the Sandusky City School District. The Board is made up of five members, each elected for a four-year term. These terms are staggered to ensure that there will always be experienced individuals serving in the Board.

Board members elect a president and vice-president for one-year terms at their Organizational Meeting in January. The regular meeting dates for the remainder of the year are also set at the Organizational Meeting.

• Superintendent of Schools •

The superintendent is appointed by the Board as its chief administrative officer. The Board delegates to the superintendent the authority, and charges him with the responsibility, to implement its policies; to establish necessary procedures and regulations, to carry out its policies; and conduct the active administration of the schools and the educational program. The superintendent also acts as advisor to the Board and keeps board members informed of the needs and progress of the schools.

• Board Meetings •

Regular and special meetings of the Board of Education are open to the public and the news media. The Board of Education can act officially only at a public meeting when there are three or more members present. No member of the Board has the authority to act in the name of the Board outside of a legally constituted meeting.

The Board of Education may recess a regular or special meeting to meet privately in executive session to discuss only those matters permitted by (Sunshine Law) statute. No official action may be taken in executive session.

• The Order of Business •

The order of business for all official meetings of the Board of Education shall be as follows:

1. Call to Order and Roll Call
2. Pledge of Allegiance
3. Reading and Approval of Minutes
4. Approve Agenda
5. Student Recognition
6. Citizens Participation
7. Staff Presentations
8. Correspondence - Informational
9. Correspondence – Related to Action
10. Treasurer's Reports
11. Superintendent's Reports
12. Treasurer's Recommendations
13. Superintendent's Recommendations
14. Anticipated Action
15. Unfinished Business
16. New Business
17. Board Liaison Committee Reports
18. Recommendations or Questions from Board Members
19. Next Meeting
20. Adjournment

• Audience/Community Participation •

All regular and special meetings of the Sandusky City School District Board of Education shall be open to the public. Although Board of Education meetings are held in public, but are NOT public meetings, the Board recognizes the right of citizens to be heard and wishes to hear their views on issues that affect the District. Citizens of the school district may express ideas, concerns and judgments about the schools to the administration, to the staff, to any appointed advisory body and ultimately to the Board (Policy ABA).

An opportunity for citizens to address the Board shall be contingent upon the following criteria: 1. Individuals wishing to address the Board shall complete a Request Sheet listing their address, phone number, purpose of their comment(s), what group(s) they may be representing and with whom in the administrative chain they have previously had a discussion relative to their concern. The Request Sheet shall be turned in to the President of the Board **BEFORE** the beginning of the meeting. No requests will be accepted after the meeting has begun. 2. By signing the Request Sheet, individuals agree to the following guidelines: a. no employee or student in the school district can be criticized by name or inference, b. a sense of decorum will be maintained at all times, c. a strict time limit of three (3) minutes shall be enforced, d. a response to the speaker's concern(s) shall be submitted in writing within one (1) week with a copy of the response sent to the Board. 3. The Board has the right to deny comment to any individual who has not abided by the aforementioned rules on one (1) previous occasion. 4. The Board may suspend public comment at any meeting by giving and voting on a stated reason. A request may result in a referral to a school district employee who could more efficiently and more effectively address the concern.

In order for the Board to fulfill its obligation to complete a planned agenda in an effective and efficient fashion, a maximum of thirty (30) minutes may be set aside for public participation. Citizens approved to address the Board shall be recognized by the President of the Board at which time the presenter is required to state their name, phone number and address, etc. prior to making their statement. During those thirty (30) minutes, no person shall speak more than one time.

• Questions and Concerns •

Questions regarding individual students should usually be taken up initially with the teacher involved, and later, if necessary, with the principal or administrator who is closest to the situation. If still further discussion seems necessary, the questions can be referred to the Superintendent who may consider the matter himself or assign a staff member to resolve it.

This procedure has been effective for most people because it secures for the questioner a direct response and, at the same time, frees the Board to consider matters that affect the entire district. It is the posture of the board to give first consideration to the good of all children in the schools and the total educational program when evaluating requests, complaints or suggestions.

• The Sunshine Law •

The Sunshine Law has again been amended with an effective date of June 29, 1988. The legislation which modified the Sunshine Law is Amended Substitute Senate Bill #150. This statutory amendment contains several significant items. First, it requires that an executive session may be held only upon a roll call vote. Second, the motion to go into executive session must state which one or more of the approved reasons listed in the statute are the purposes for which the executive session is to be held. The statute provides that the motion need not include the name of any person to be considered at the executive session. Third, any person may bring an action to enforce the statute, and the new amendment provides for injunctive relief and attorney's fees, plus a civil forfeiture of \$100. Should the Court determine that the action seeking to enforce the Sunshine Law was frivolous, it may award costs and attorney's fees to the public body.

The reasons for an executive session are outlined as follows: (1) to consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee or regulated individual. The motion and vote to hold an executive session shall state which one or more of the approved purposes previously listed are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting; (2) to consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest; (3) conferences with an attorney for the public body concerning disputes involving the public body that are subject to pending or imminent court action; (4) preparing for, conducting, or reviewing negotiations or bargaining session with public employees concerning their compensation or other terms and conditions of their employment; (5) matters required to be kept confidential by federal law or rules or state statutes; (6) specialized details of security arrangements where disclosure of the matters discussed might reveal

• The Sunshine Law • (continued)

information that could be used for the purpose of committing or avoiding prosecution for a violation of the law.

If a public body holds an executive session to consider any of the matters listed in numbers 2 through 6 above, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in these sections are to be considered at the executive session.

• Board Liaison Committees •

The Sandusky Board may authorize the establishment of liaison committees from among its membership as it finds necessary to study operations in specific areas and to make recommendations for Board action. The following rules will govern the appointment and function of Board liaison committees: (1) The liaison committee shall be established through action of the Board. (2) The chairperson will be named by the Board president. (3) The chairperson may make recommendations for Board action, but may not act for the Board unless specifically authorized. (4) The Board president and school superintendent will be ex-officio members of all committees. (5) All liaison appointments will be for no longer than the ensuing annual organizational meeting, at which time the newly elected president will have the privilege of making new appointments or reappointments. However, a liaison committee may be dissolved at any time by a vote of the Board. (6) The Sunshine Law -- and its exceptions -- apply to both Board meetings and meetings at which a majority of the Board members are present.

D. Special Cost Center

is a dimension which recognizes that school districts must track costs to satisfy temporary or special requirements. The special cost center is also used for each special project which is supported by restricted monies when more than one project exists within a given fund. Special cost center assignments are to be made at the school district level.

E. Subject Area/Subject

is dimensions used to identify specific educational costs. Subject, a six (6) character dimension, can be separated into three (3) segments of two (2) characters each. The first two (2) characters, the subject area, are used to identify the basic subject areas. The second set of two (2) characters provides a further breakdown of basic

subject areas, while the third set provides a breakdown of the second set.

F. Operational Unit

is the dimension which identifies facilities in the system. An operational unit is identified as a permanent operational entity, such as a school, administration building, warehouse, department, office, etc. This dimension is used to identify costs by unit or facility. Operational unit assignments are made by each school district.

G. Instructional Level

is the dimension used to differentiate between various grades or educational levels within the district. Instructional level codes are assigned by the Auditor of State.

H. Job Assignment

is the dimension used to identify staff costs. This dimension has value principally for local officials in personnel administration, staff evaluation, assignments, and recruiting. It may be used also in relating staff cost to the activity to which they are assigned. It has value in manpower supply/demand studies and reports. Job assignment codes should be used to identify what personnel do, and are assigned by each school district.
